THE EVENING TIMES AND STAR, ST. JOHN, N. B., MONDAY, MAY 29, 1922

## EMINENT WRITER WELCOMED HERE

Rev. Dr. C. W. Gordon, Moderator of Presbyterian General Assembly, Preaches in Local Churches.

The city is extending a hearty welcome to Rev. Charles W. Gordon, moderator of the General Assembly of the Presbyterian church in Canada, and widely known as "Ralph Connor," the eminent writer. Yesterday he was heard by large congregations when he preached in the morning at St. Andrew's church and in the evening at St. David's church and while in the city he will address the Rotary Club. His intense earnestness and rare power of oratory made a deep and lasting impression on all who heard him yesterday.

He prefaced his sermon in St. Andrew's church with a reference to the fact that he was closing this year of public service as moderator to the congregations and churches. In his year of moderatorship he had visited every province, conferred with many Presbyteries and almost every synod and he would speak of two great impressions he had gleaned. The first was that the Presbyterian church should be very thankful to God for the manhood and womanhood which it found in its churches. There was nothing finer in the whole of Canada in intelligence, strength of character and spiritual power. So much for the rank and file. And for the leadership, the ministers were men of God, courageous and gifted with organising and preaching ability to a marked degree. He had met with them and conferred with them and the spirit of God was in them. He was aware, and deeply conscious, of the grave defects in the Presbyterian church and in all churches in the dominion but there should be gratitude that there was so strong an evidence of God's presence. The second great impression gleaned in his dominion tour, of which the appalling fact that much of the dominion was still un-Christian, but men yielded to God had conquered the world before and they could do it again he declared. In his closing appeal Dr. Gordon spoke of conditions in the homes where young girls were growing up, of conditions in the lives, the business and the men which influenced boys. There was a job, he said, for the church to see that the girls did not grow up amid thorns but grew up straight and tall and that the boys were not caught in the briars and like the clear strong plums. "Who wouldn't be a preacher of the gospel," he asked with pride. "Who wouldn't have a great faith and a wonderful God."

## Many Women Need More and Better Blood

ALL SEEKING HEALTH SHOULD READ  
MRS. EPLETT'S LETTER.

It is a fact proven by thousands of grateful letters that Hood's Sarsaparilla is remarkably beneficial to young or older women. The most common ailments of women drain and weaken the system and sometimes result in anemia, nervous weakness, general break-down.

"My remarkable change from a declining and discouraging condition to that of health and strength, was brought about entirely, I believe, by Hood's Sarsaparilla."

"My Weight Ran Down"

from 160 to 108 lbs. in two years. I consulted physicians, who treated me without benefit. I was told I had liver troubles, and enlarged spleen.

"Something I read about Hood's Sarsaparilla, the story was told, induced me to try this medicine. It was evident something must be done to stop the loss of flesh and strength. I could not walk a quarter of a mile nor sweep the floor. After eating I would have palpitation of the heart upon the slightest exertion.

The effect of Hood's Sarsaparilla was soon noticeable, in better appetite, return of flesh and increase in weight, and so I continued to take the medicine about a year.

"At this writing I can do a great deal of work without pain or exhaustion, and have recovered my weight so that now I tip the scales at 150 lbs."

The anemic condition. Thin, Poor Blood seems to be entirely gone. I know from experience Hood's Sarsaparilla will do for a weak, rundown woman. I am naturally very grateful for this medicine. Mrs. Susan H. Eplett. Better get Hood's today.

## St. John Man to Have the Body of Unknown Exhumed

James Sargent, of Campbellton, and E. J. Sargent, of St. John, father and brother respectively, of George Sargent, who was presumed to have been drowned while shooting wild fowl at Escumac on November 21 last, have gone to Tighe to get in touch with the authorities regarding the unidentified body of a man which was found floating on the water by lobster fishermen a few days ago at Frog Point, near Tignish.

**RENFREW COUNCILLOR  
DEFEATS HOLD-UP MAN**  
Renfrew, Ont., May 28.—Rev. Mr. McEwen while returning from council meeting about 11:30 at night, and half a block from his own home, was stopped by a man who appeared from behind the hedge, and ordered to hold his hands. The footpad was armed with a heavy piece of lead. Rev. Mr. McEwen was too quick for the highwayman, and struck him a heavy blow between the eyes, following up his attack with vigorous kicks. The footpad dropped his billy and disappeared in the neighborhood. The case is now in the hands of the police, but there is no clue, as the man was a stranger to Rev. Mr. McEwen, who was unable to get a good view of him.

**THIS ROOSTER'S CROWING  
SHATTERS POULTRY ETHICS**  
Montclair, N. J., May 28.—A rooster that has no sense of time is complained about in a communication to Mayor Howard P. McConnell, which was referred to the attention of the police department. The complainant is J. D. Cone of Beverly Road.

"This rooster," said Mr. Cone, "has absolutely no sense of time and is apt to crow any time from 10 p. m. to 10 a. m. with results that not only are unpleasant but are a menace to Mrs. Cone's health in that it frequently not only disturbs but destroys her slumbers."

"I believe there is now a statute on the books of Montclair to the effect that no one is allowed to keep a noisy rooster. If this is so, you will please apply it to the noisy rooster directly back of my home."

The referred to ordinance was recently enacted to cope with a particularly noisy rooster in another section of Montclair.
