ON SAD MISSION
Mrs. R. T. Worden, 188 King street east, accompanied by Miss Gunn, will leave this evening on the Boston train for Lexington, Mass., where Miss Worden has been called by the death of her brother-in-law, George H. Brown.

HOME AGAIN
Friends of P. D. (Pop) 74 Landowne avenue, who recently underwent a serious operation in the General Public Hospital, will be pleased to hear that he was able to return to his home yesterday.

SUCCESSFUL OPERATION.
Friends of Louis Daley, 23 St. Patrick street, will be pleased to hear that he is doing well after an operation performed at the D. S. C. R. hospital on Thursday. Mr. Daley, while serving in France, was wounded in the shoulder. On Thursday a lump of the bone was removed and it was reported this morning that the operation was successful.

THEIR CHILD DEAD.
Friends of Mr. and Mrs. Sydney Jones, 62 Paradise row, will sympathize with them in the death of their little son, William Carroll, which occurred on Thursday. He was a bright little boy and his death followed an eight days' illness with pneumonia. Besides his parents he leaves four brothers—Harry, Sterling, George and Eldridge, and three sisters—Vera, Gladys and Edith.

VERY CHEAP POTATOES.
Frederick's Mail—There is still no prospect of an advance in the price of potatoes. The announcement of the rivings of are Fordney bill precipitated a slump last week which according to local shippers is very liable to persist for the rest of the season. Seventy-five cents per barrel is the price now being paid at points throughout the province and there are indications that a lower level might be reached.

THE AKERLEY CASE.
In the case of Johnston Lodge, L. O. B. A., Mrs. Grace Akerley, before Mr. Justice McKenna, evidence was given today by Mrs. Mary McLeod, Francis Kerr and James Moore. Some of the evidence today had to do with a booth at the St. John exhibition of last year and the proceeds therefrom. Adjudgements was made until this afternoon at 2.30 o'clock. There are some twenty-five or more witnesses still to be heard. J. P. H. Teed appeared for the plaintiff and J. S. Tait for the defendant.

IN HONOR OF BIRTHDAY.
About thirty friends of Mr. and Mrs. George H. Fry gathered at their home in Brimley street on Thursday evening and tendered a surprise to Mrs. Fry in honor of her birthday. On behalf of those present Arthur Vanwart presented to Mrs. Fry a beautiful electric parlor lamp. With games and music the evening passed pleasantly and at midnight delicious refreshments were served.

CITY OF COLOMBO INQUIRY.
Capt. L. A. Damers, of Ottawa, Dominion wreck commissioner, this morning appointed Capt. A. J. Mulcahy as an assessor for his court of inquiry, which is expected to open in the week of trade rooms Monday morning at 10 o'clock in connection with the wreck of the steamer City of Colombo, which went aground recently near Digby. N. S. Captain Damers said that he would appoint another assessor today. With reference to the inquiry he said it may have to be delayed until Tuesday as some of the witnesses are still in Digby and may not reach the city by Monday.

MORE COTTAGES BROKEN INTO.
Several more cottages in the vicinity of Red Head were broken into a few days ago. The summer residences of John Gilla, Mt. McSherry and Mr. Turner, at Anthony's Cove, Red Head, were entered this week but according to the police, nothing of any consequence was stolen. The cottages were made through the back doors but apparently the offenders were disturbed as nothing was missed and the only damage was that done to the doors in forcing an entrance. The police have the matter in hand.

IS ST. JOHN BOY.
The news despatches of March 23 resulted in the boxing of the wrestling finals at the Royal Military College, Kingston, Ont., in which it was stated that the only knockout was scored by J. M. H. Grant of Regina, in the novice heavyweight class. Why Grant's home town is given as Regina is unknown, as he is a St. John boy, a son of Mr. and Mrs. J. M. Hope Grant, and prominent in athletics here. His first training in boxing was secured at the local Y. M. C. A. He is also recognized as a fine swimmer and a good all round athlete. Grant knocked out his opponent, G. C. Price, in the first round.

BOY SAYS HE HELPED MOTHER KILL STEPFATHER
He and Younger Lad Then Took Body in Toy Wagon to Railroad Track.

Grand Rapids, Mich., March 25.—Caspar Didia, 14 years old, confessed today, according to the police, that he helped his mother kill his stepfather, Joseph Scabius, last night. Then, according to the confession, he and his brother, James, nine years old, placed the body in a toy wagon and carted it to the railroad yards where they left it. The body was found today by a switchman.

He was awakened during the night, Caspar declared, by a quarrel between his mother and stepfather. "I struck him with an axe and a shovel, and my mother hit him with a stick," the police quoted him as saying. "Then my brother and I carried the body away in the cart."
Mrs. Scabius and the two boys were taken into custody.

Making the Home Restful is an Investment
It is important therefore that we constantly be alert to the improvement of our homes, for to neglect our homes is to neglect our happiness and our comfort. It is to neglect our very lives.
It is entirely logical that we should at this season of the year make a mental inventory of our home needs. Perhaps the charm of the home could be accentuated by the addition of an inviting arm chair, an interesting davenport, a new table for the living room, or maybe a magazine stand, or a beautiful new piano lamp.
This store presents many new and interesting suggestions for the beautifying of the home. We shall be glad to have you come and enjoy them, without obligation.
