The market for dried codfish in Old England was so good that fishermen ventured in frail ships across uncharted seas to unknown waters in quest of the fish.

AIM AT HALF MILLION FOR VARSITY MEMORIAL
Half This Sum Will Go for Scholarships
—To Launch Campaign Soon.

(Toronto Star.)
An objective of \$500,000 has been suggested by the University of Toronto Alumni Association to provide a University War Memorial. Half of this amount would go to maintain scholarships for returned soldier veterans and other undergraduates, and the other \$250,000 would be used to erect a visible memorial to Varsity's heroic dead. The campaign will probably be launched with the New Year.

Dr. Hamilton's Pills restore activity to the bowels, strengthen the stomach, and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c. box yourself.

HAIR COMING OUT MEANS DANDRUFF

"Danderine" Will Save Your Hair and Double Its Beauty at Once

Try This! Your Hair Gets Soft, Wavy, Abundant and Glossy at Once.

Save your hair! Beautify it! It is only a matter of using a little Danderine occasionally to have a head of heavy, beautiful hair; soft, lustrous, wavy and free from dandruff. It is easy and inexpensive to have pretty, charming hair and lots of it. Just spend a few cents for a small bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre, and try as you will, you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—and sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp, and it never fails to stop falling hair at once. If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.
