SAINT JOHN SOLDIER APPRECIATES THE YANKS

Says They Are Wonderful—Tells How Contingent Went Short on Rations to Feed Canadians.

(Bangor Commercial.)
Hon. Charles E. Oak has received a letter from Hon. Henry F. Puddington of St. John, N. B., an excerpt from a letter written from France by Mr. Puddington's son, who was a student at the U. N. B. when he enlisted in the Canadian forces.

Mr. Puddington writes of his very pleasant relations with the American troops and of them he says: "They are wonderful. I forgot to tell you one case where we had been moving all night, no sleep for forty-eight hours and very little to eat. At daybreak we pulled into a village occupied by Yanks. They at once saw our state and the cook gave us hot coffee, bread and butter from the States, porridge and bacon. As a matter of fact, they went short on their own rations. I have seen a good many thousands and they are all the same way."

INCREASED CONFIDENCE

New York, Sept. 23—(Wall street, noon)—Increased confidence in the investment and speculative markets was encouraged by the upward movement in prices which included all classes of stocks. Prospects of easier money conditions and a continuance of favorable war news were impelling motives for the advance. Indications that the selling of rail stock had ceased created a more general disposition to buy railroad investment account.

KNIGHTS WELL UP TO SUM AIMED AT IN DRIVE

Amount on Hand \$18,000 With Fair Receipts To Be Added and Further Subscriptions That Are Expected

A careful estimate of cash on hand, the possibilities of the big patriotic fair still going on, and a further sum available, it was said today, would bring the Knights of Columbus' drive for \$25,000 in this city within easy distance of the required amount.

That the full \$25,000 will be reached is confidently expected, but Organizer Charles A. Owens and District Deputy W. P. Broderick say they believe in telling the generous and co-operating public just what the situation is, so that all may be prepared for the grand final dash.

The tag day donations now total more than was first stated; indeed they exceed \$40,000, a most gratifying response. Private subscriptions under the personal canvas plan are also creeping up, several large amounts being added to the list from new sources, some of them unsolicited.

Exclusive of the proceeds of the fair, the fund now stands at more than \$18,000. In spite of unseasonably bad weather, and because of the hold-over for tonight and tomorrow, the fair is expected to contribute another \$30,000. Exclusive of this there is the sum of \$2,000 "in sight," Secretary Owens said. So totalling these amounts, it will make a small shortage of \$2,000 in the quota aimed at. Doubtless some good souls will furnish this amount before the drive ends, for the knights have faith galore in their staunch old patriotic town.

Tonight the big fair is being resumed with more spirit than ever and plenty of striking novelties. The City Cornet Band will play and with crisp, clear air and a gay crowd St. John folks will have a typical return to "exhibition weather" and pleasant surroundings.

Dr. W. P. Broderick says that throughout his jurisdiction the K. of C. drive has been signally successful, even the smallest of the parishes, up their quotas quickly and willingly. He is deeply grateful and naturally much satisfied, for each succeeding year of war's stern demands makes voluntary giving a greater sacrifice with accompanying uncertainty as to results. The Knights of Columbus as a body share their leader's thankful feelings and are especially delighted with the measure of assistance they have received from city folks on all sides, reciprocating the purpose of their drive for Catholic army units open to all classes and creeds. In this regard the K. C. drive has accomplished more than a commendable war work.

THE COMPENSATION ACT

Chairman Sinclair Clears up a Misconception as to Proclamation

A Fredericton despatch on Saturday stated that "by proclamation of the lieutenant-governor the act to provide for compensation to workmen for injuries sustained and industrial disease contracted in the hours of their employment, so far as Part I is concerned, is in force in New Brunswick after Sept. 15."

J. A. Sinclair, chairman of the board organized under the act, said today that the despatch had not stated the matter correctly. Part I of the act, he said, was really the whole act as it applied to compensation. What had been proclaimed was that portions dealing with organization of the board, classifying of industries and collection of assessments. Before the rest was proclaimed the board must take a census of the industries of the province, classify them, fix the rate at which they were to be assessed and collect the amount assessed. That is what is now being done.

PASTOR'S TRIBUTE TO TWO CARLETON SOLDIERS WHO HAVE GIVEN THEIR LIVES

At the half past ten o'clock mass in the Church of the Assumption, West St. John, yesterday, Rev. A. J. O'Neill made touching reference to the death of Soldiers Quilty and Kindred, two Carleton boys who are to be enrolled with St. John's heroes of the western front. "While it was not my privilege to know these young men personally," said the pastor, "as they went to war before my occupancy of this charge, yet what I learn of them on all sides tells me they were model lads and estimable citizens as well as dutiful children of the Church. It will be a consolation to their bereaved loved ones to look back upon their careers with this knowledge and to know also that they died in the noblest cause of all." Father O'Neill asked the prayers of his congregation for the souls of the departed soldiers mentioned.

Cunningham-Walker.

A quiet but interesting ceremony was solemnized in St. John the Baptist church at 5 o'clock this morning, when the pastor, Rev. F. J. McMurray, united in marriage William J. Cunningham and Miss Jeanette Walker, both of this city.

Harold Cunningham, brother of the groom, officiated as best man, and Miss Sadie Cunningham, sister of the groom, attended the bride. Following the ceremony a dainty wedding breakfast was served at the home of Mrs. Cunningham, 31 Queen street, after which the bride and groom left on a honeymoon trip through the maritime provinces. The many presents received by the popular young couple attested to their popularity.
