MRS. JOHN REID DEAD

Daughter of Mr. and Mrs. Geo. Blewett of St. John Passes Away in Lynn

Friends of Mr. and Mrs. George Blewett of this city will sympathize very deeply with them in the loss of their only daughter, Mrs. John Reid, whose death occurred at her home in Lynn, Mass., this morning. Mrs. Reid spent part of last summer with her parents here, and her mother has been with her in Lynn for some time. Mr. Blewett also visited her recently, as her condition had been critical for months.

The late Mrs. Reid was born in Chatham almost twenty-five years ago, but came to St. John with her parents some twenty-two years ago. Her childhood was spent here, and she went to Lynn immediately after her marriage, nearly two years ago. Besides her parents she is survived by two brothers, Edward, in Vancouver, and William in Montreal, where he is bookkeeper for the Fisher-Morrissey Medicine Company.

Her body will be buried in Lynn, her husband's home.

HUSBAND OF ST. JOHN WOMAN KILLED IN MAINE

John Kinch, a native of Prince Edward Island, was accidentally killed at Livermore Falls, Maine, last Thursday. While adjusting a belt in the Otis pulp mill, where he had been employed for the last thirteen years, he was violently thrown to the floor, and instantly killed. Mr. Kinch was a prominent member of the A. O. U. E. N. E. O. P., and the Knights of Columbus. He is survived by four children, and his wife, who was Miss Gertrude McKinnon of St. John, a daughter of Mrs. Zylpha McKinnon, who was spending the winter with Mrs. Kinch at her home in Maine. Their many friends in St. John will greatly regret to hear of their sad bereavement.

HAYMARKET SQUARE LOT FOR A BANK

Purchase Made By Bank of New Brunswick—Location is Next to Haymarket Square Hall—School Trustees Get Bell Building

The Bank of New Brunswick has purchased from the St. John Real Estate Company a lot in Haymarket square, and it is understood they will erect a new bank building there in the near future. The lot secured is alongside the Haymarket square hall, where John Cogger conducts a grocery business. It is just west of the I. C. R. extension and is considered one of the best available sites in that vicinity. E. B. Keenan, general manager of the bank, said that there were no settled plans yet as to what the bank would do, but an announcement may be expected soon. With the establishment of a bank there, St. John will have seventeen banking institutions—eight main offices and nine branches.

At a special meeting of the school board yesterday afternoon, arrangements were made for taking over the Bell building at the corner of Union and Prince William streets, from S. Kerr & Sons. The price is said to be the same as that paid by the business college. The school board will utilize the ground floor for offices and the business college will lease the two upper floors.

HOCKEY EXECUTIVE IN SESSION HERE TODAY

Views of Some Interested—Saint John Team Home From Yarmouth

The executive of the New Brunswick hockey league is meeting this afternoon at the Park Hotel. The meeting was called to deal with the protest of Fredericton in the matter of their last game with St. John, Fredericton. The capital people assert that the game should be replayed on the ground that the M. P. A. A. were in error in suspending Titus, their goal tender. The locals take the stand that the latter is one of the best players in the M. P. A. A. and Fredericton and they are in no way interested. Captain Clawson and Manager Howard are also present. In any event, they announced finally that they will not replay the game.

President Leonard Inch of Maryville, would express an opinion this morning. The outcome of the meeting would, however, he said, have nothing whatever to do with tonight's game, and any view that Maryville would be governed by the result of the meeting was in error. "They are the best crowd of sports that we ever played against," said Captain H. L. Clawson of the St. John N. B. H. L. team, who was one of those opposing the protest that led to Yarmouth on Monday night. The St. John team was not a strong one, and they could not hope to win, but they are a unit in their feeling that the Yarmouth people are all right. The setpiece from this city and a party of rooters were met at the station and driven to the Grand Hotel and everything possible was done to give them comfort. The boys hope that they will have an opportunity of giving the Nova Scotians a good time here. The St. John team was made up of a number of intermediates and some members of the senior team, as follows—Sears, goal; Dally, Parker, right wing; Sweeney, left wing; Clawson, center; McCreary, rover; Fred Parker, W. E. Titus and Harold Wilson went along with the team.

Y. M. C. A. NEEDS \$2,000

Effort to Secure it by End of April to Close Year Clear of Debt—The Good Work Being Done

The local Y. M. C. A. has had a prosperous and busy season up to the present, and the fact that the membership has reached double what it was in the old building is ample evidence that the opportunities presented to the young men of the city through affiliation with the Y. are being taken advantage of, and are appreciated. The cozy, homelike rooms lend themselves to social good fellowship, and the open fire-place with its burning logs is most attractive in winter evenings.

The membership of the association is open to any young man of good, moral character, and provides an opportunity for social fellowship free from questionable influences. Its well stocked reading room, and evening educational classes are an incentive to ambitious young men to improve themselves mentally. Its physical department, which includes chess work under the direction of a thoroughly qualified physical director, physical, and medical examination, shower bath, swimming pool, indoor and outdoor athletics provide an opportunity for that physical development and training, without which the highest mental, and moral efficiency are impossible. Its religious department provides an opportunity for spiritual development for those who desire it. Meetings and Bible class help to meet this need. The boys' department of the association is under the direction of a special secretary, and is doing work in directing the boys from thirteen to eighteen years of age. During the last two years the association has been able to meet all its obligations on current account, and although the fees must be kept low to be within reach of the young men who need it most, and do not nearly meet the expenditures, the business men realize that the association meets a real need in the life of the city by developing a type of Christian citizen, and by their generous contributions have made it possible for the directors to meet and pay all current expenses of the association. To close the present year clear of debt about \$2,000 will be needed contributions before end of April, and the finance committee of the association are now making an effort to secure this amount.
