THE PRICHMS REST.

Rejoice ve Pilgrims, Siledand weary, Tho your road be dank and dreary Tho your toils be long in ending. Yours is rest all rests transcending. AV fund Contient of dear Sine at mand 200 Where Name's most hawit line howers Are fragrant with the sweetest flowers; On breezes of the summer morn, To mansions for you long prepared, Where neither class I nor storm can con Your Saviour's best elemal home.

ENIGMAnussig out no My hirthplace is the techning earth My dwelling place the sky-

The only thing not ranked within The grand six days' ereation, Although 'tis tene there then was seen

Yet wished for when away,
Always grumbled at by some, see all And never asked to state

To me 'tis little matter,
I always come with wondrous zest
To gala and regatta.

Enteresting Cale.

THE FROZEN HEART.

A Frontier Sketch. BY HENRY CHESTER.

In the western part of the State of lown, there is a ridge of sharp blods, which for some distance flank the Missouri river. It was here the Indians met in treaty second years me-Conneil Linft.
Awong the early settlers of this section of

miry, there was a family by the name over consisting of father and mother, one son and two daughters, the chiest of whom was some sixteen years of age. She was a lovely your erenture lovely in her information that he had morely been away on a brust.—

This trial was a brief one. Hobert could exclude the interior organs may, by means of that he had morely been away on a brust.—

This was unsatifactory.

Just before the decision was given, an Indian came forward and offered to give in his sician will be able to determine with unvary the necessary of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine with unvary the property of the physician will be able to determine the phy

Just held formed this attachment. It is a most present and additional control of the physical part of the point in the she has get reading to the West the young men followed. But he had seen been an expected from the of the father, and now he appeared to the less so than ever.

May Denver aliad formerly reasized the addressed of the father, and now he appeared to the less so than ever.

May Denver aliad formerly reasized the addressed of the father entertained to wards the young man, with attended to the offer so that the could not give any reason for 1, she felt that it could not be without foundation. So give a present of the page of an individual possible that it could not be without foundation. So give faintly individual to the father of the proper may and the father of the point was not formed in the father entertained to wards the young man, with attended to the offer so with a desire to do so many mechanic to the father of the proper may and the father of the proper may and the father of the proper may are to elapse before the execution was to take place; during this fine was to controlled the father of the proper may and the proper may are for the proper may are for the physical to the same of the young than without foundation. So give a present of the young than without foundation. So give a present of the young man, with attended to the definition of the proper may mechanic to the proper may

tuted. The mother was found borribly mutilated and scalped. The son had died, nobly fighting, as his wounds attested, and the young-est daughter was mangied in an equally hor-

have made a terrible threat at the time.

Mr. D nvir was now able to speaken few words. He told them that savages had don the work; but that he be'l ved them to b Hobart ? asked Barry.

Mr. Denver remained silent for a time.

for certain it is that the gailt upon him; There is the pale face dog.

The chief pointed to Barry, who attempts the size of Hobart, and his movements were much the size of Hobart, and his movements were much the same.

He is the guilty one, said Barry; and, by Heavens, he shall suffer I II hunt him to the very ends of the earth, but I will find him and bring him back. peared to be a difficult question to answer

The day on and the excitement incre

od only from trees, the prongs sharpened, and driven hight do, down into the earth over his limbs. In this

zens. His face was very pale, and wore a deathly hue in the light of the blazing log; but there were no marks of fear upon it.

Have you anything to say before you die?

treaty!

Mary now entered the circle, and was received with the warmest greetings. But the men asked:

The is the guilty one, said tearry; and, by the strength of the strength of the strength of the tearth, but I will find birm and bring him back.

The blow was a severe one to all. Poor the very ends of the earth, but I will find birm and bring him back. short bours of that night, and he could not readily recover from the shock. His theat had been frozen; but Mary, as his wife warned it

The day passed, and the excitement increased in the little settlement. Hobart was absent forten the street in the little settlement. Hobart was absent forten the street in the little settlement. Hobart was absent forten the street into life again.

It is stated that a German glass maker has but by this time the excitement had reached such a high pitch that the infuriated people could searce by be restrained from rushing upon him and tearing him to pieces. But Barry assumed a telescope or magnifying glass, by the mans of which the most intricate nerves or vessels inside of the body may be seen from the stock. His their had of the Fairly into life again.

It is stated that a German glass maker has but by the ward, by the ward

Two nights after the conversation, the alarm of Indians was given. Mothers sprang from their couches and chapped their little ones to their bosoms in terror. Strong men seized their weapons, and prepared to detend their homes to the last.

One dwelling was already in flames. A few should have been upon the still night air, and then all was still save the crackling fire. No other hore withdrawn.

In a short time the dayling d daved, and the nearly addition, and the fires were lighted. The flames shot have withdrawn.

A search for the immates was at once instit.

est daughter was mangled in an equally hor rible manner.

A still further search resulted in the discovery of Mr. Denver. He had been scalped, but was still alive, and had crawled into a ditch for concealment. But he was insensible.

All sparels for Mary was vain, she was no where to be found.

Among those present was a young man who appeared to be deeply affected by this terrible appeared to be deeply affected by the terrible appeared to be deeply affected by the terrible appeared to be deeply affected by the terrible appeared to be deeply affected by I must leave tears for women. Men must think of revenge. Where is Edwin Hobart? He does not appear to be.

Not here! He must be found at once.—
He is a young man, like myself, and must become one of the leaders in this matter. It is the not guilty? asked a hundred voices.

Shortly afterwards he was made and its prompt. Then turning to them he continued:
Then turning to them he continued:
The guilty die not like the say young man, like myself, and must become one of the leaders in this matter. It is he not guilty? asked a hundred voices.

Who is the guilty one?

Listen, for the chief speaks truly. A dog somewhat unease. Then le hinted his sus pictons, and at last declared openly that if Hobart was performed under his direction, by savages whom he had emplayed.—
Alusion was then made to the rejection of Hobart at the time.

To speak with your people for a moment. Then unring to them he continued:
The guilty die not like then de Alijinat General, and in that capacity made lasting and warm friends. He framed, together with other Volunteer and Millian olises est, that Militin Bill so fivorably spoken of at Ottawa, and it was and is his Bill. When the Fenians invaded the fromtier in 1866, he was sent down, as Colonel Comandant, of the objects of extensive abuse.

Who is the guilty one?

Listen, for the chief, speaks truly. A dog for pull that if Hospital them for that deed of follood, and left in the followed up to the bitter end.

Who is the guilty one?

Listen, for the chief, speaks truly. A dog for pull that if Hospital uneases. Then lie hinted his sus pictons, and at last declared openly that if Hospital uneases. Then le hinted his sus pictons, and at last declared openly that if Hospital uneases. Then le hinted his sus pictons, and at last declared openly that if Hospital uneases. Then le hinted his sus pictons, and at last declared openly that if Hospital uneases, and in that capacity was sent down, as Colonel Comandant, of the from the Hospital uneases, the followed up to the bitter end.

Listen, for the chief Where is the pale maiden? cried several what they are about, and who can gain the confidence of men under them. Col. Anders and Victor a, and march from these to the Frather brought her back. I cannot give you the dead bodies of those who murdered them, for I have slain the breakers of the pale maiden? Col. Andrews and St. Steephen felt so comittent under his able command that all fear appeared to disperse, and his territory. the work; our instance of the work; our instance of the work of th a man of his superior military ability and jud ment, that he will be placed in a good posi-tion, where it can be displayed to advantage,
