STREET RAILWAY CONDEMNED.

Their Action in Refusing to Reduce Fares Strongly Criticized. The action of the Street Railway Company in refusing to grant workingmen's rates during restricted hours is generally being condemned. A prominent citizen, who has occasion to make daily use of the cars, said this morning: "The street railway directors and also the manager have shown a sad lack of acquaintance with street railway affairs. If they knew the conditions, they would know that the adoption of workmen's rates during certain hours would result in increased patronage and consequently greater money gains for the company. The scheme works in other places and would work here if it were only tried. In most cities in the United States the restricted hours are from six to nine o'clock in the morning and from five to seven in the evening."

A SILENT GOVERNMENT.

It is expected that previous to this the decision of the government will be announced or that the local members will be heard from.

INSURANCE CO. WITHDRAWS.

The National Assurance Co. of Ireland, that has been doing business in Canada for some years, has withdrawn from the field. They had a fairly large and well established business and this has been re-insured by the Western Assurance Co. of Toronto. The re-insurance took effect a couple of days ago. R. W. W. Frink, the manager of the Western Assurance Co. in the Maritime Provinces, is now in Halifax in connection with the transfer of the Nova Scotia business.

QUIET CARRY NATION.

Resting Today from Wednesday's Arduous Toil—She Gets a Present—Her Lecture Programme

Mrs. Nation passed the day in comparative quiet. About nine o'clock this morning she went shopping. She entered F. A. Dykeman's dry goods store and had only been there about ten minutes when some five hundred people assembled outside to greet her on her re-appearance. Carry came out and after smiling on the crowd walked leisurely to her hotel.

Since Mrs. Nation's arrival in the city she has been in receipt of a great number of telegrams. Among them was the following: "Mrs. Nation: Go over to the North End, the hot bed of the rum traffic, West Mill street and Main street, where you will find a rum shop every few yards and beer shops where the young lads learn to drink and gamble. Good luck to you."

"A HEART-BROKEN WIFE AND MOTHER." This morning Carry was delighted to receive a large wooden hatchet, with the inscription: "To Carry Nation; Begin on Water Street."

"Your barrooms," said Mrs. Nation, "are hell holes, butchers' factories and swine shambles, but the men carrying them on are not so much to blame as the government which allows them. I hope to meet the members of that government. I've a little story to tell them. I'll expose their conspiracy against the people."

Mrs. Nation goes to Fredericton tomorrow and will lecture there tomorrow evening, under the auspices of the Sons of Temperance. Tonight she speaks in the York Theatre. She speaks in Moncton Saturday afternoon, Amherst Saturday evening, and in Halifax on Sunday. She leaves here on Monday for Chicago. Next December she goes to England. (See also page 9).

FIRE INSURANCE INCREASE

The Increase Will be a "Flat Rate"—Dwellings and Churches May be Exempt

A prominent fire insurance man in conversation with the Star this morning stated that the increase of rates which the underwriters have decided upon has not as yet definitely settled. He may take the form of what is known among insurance men as a flat rate. This rate is approved by many of the underwriters is forty cents. This means that if a man pays one dollar a hundred under the present tariff, under the proposed scheme he would pay one dollar and forty cents. If he pays three dollars under the present tariff, he will have to pay three dollars and forty cents. This flat rate increase means the holding of the present tariff with the forty cent charge for the extra hazard. It is further said that the increase will not apply to dwellings, provided they are not a shop in connection, or to churches.

However, as the matter stands today no definite is settled beyond the fact that the underwriters are determined to increase the rates.

POLICE COURT.

Quick Justice Dispensed by the Magistrate Today. His Honor Police Magistrate Ritchie dispensed of the drunks and other such cases in lively time this morning. It was civil court day and there was a very heavy docket.

Four drunks pleaded guilty and were fined \$4 each with the option of doing ten days' hard labor. Thomas McAnulty was found in a drunken state in the East Side ferry toll house. It was a plain drunk, but seemingly the ferry toll house is a good place for those under the influence of liquor to keep away from, as he was sentenced to \$8 for two months with the Rock Candy Mine gang.

William Blizard is a colored lad, 18 years of age and a baseball crank of the first water. He and a number of other lads were playing ball in Wentworth street yesterday and of course there was more or less shouting. The police swooped down on them and Blizard was captured. He was before the court this morning charged with being one of a disorderly crowd, yelling and shouting on a public street. Blizard thought it unfair that he should have to answer for the whole party and wanted time to procure witnesses to show that he had done nothing very harmful. His request was granted and he was released on bail furnished by J. D. Turner.

DESERTERS HELD.

The big C. P. R. steamer Montserrat of the Annapolis line it is expected will sail on Saturday. She will take away a big cargo. SUDDEN DEATH.

Constable James Prince, One of the Best Known Men in the City, Found Dead in Bed.

St. John loses one of its oldest and best known citizens in the death of James Prince, which took place suddenly this morning at his residence, 67 Dorchester street.

A member of the family went to call Mr. Prince this morning, but received no response. Investigation disclosed the sad fact that death had visited him during his sleep. Death was due to heart failure.

Mr. Prince was widely known throughout the city. For the past twenty-seven years he has been connected with the city government as marshal and tax collector. He was born in Moncton seventy-eight years ago and has been a resident of this city for forty years. During the first years of his residence in St. John shipbuilding was the staple industry and Mr. Prince engaged extensively in the supplying of timber. With the decline of the shipbuilding industry, Mr. Prince was obliged to give up his first calling. He then entered the employ of the city of St. John as a valued and faithful servant.

Mr. Prince comes of Loyalist stock. His grandfather was Rev. John Prince, a Wesleyan clergyman, who, after graduating from Oxford University, England, served a brief pastorate at East Stafford, Berkshire county, and later emigrated to Massachusetts. Thomas Prince, came with the Loyalists to this country at the termination of the American revolution.

Mr. Prince, besides a family of three sons and one daughter, is survived by a brother, William Prince, of Moncton, Rev. John Prince, of Moncton, who died some years ago, was another brother. The sons of the deceased are: Henry N., of Sunbury county; John, of St. John; and Albert E., C. P. R. car inspector, of this city. The daughter is Mrs. H. E. Wilson, of Catheque, Ont.

Mr. Prince intended to retire from active life at the end of this month and to move to St. Catharines, Ont. The funeral takes place on Saturday from the residence of Albert E. Prince, 216 Wentworth street.

OIL IS CHEAPER.

Price Reduced in the States, But May Not Be Affected Here. CLEVELAND, O., April 14.—The Standard Oil Co. today announced another reduction of 1-2 cents per gallon on all grades of refined petroleum. This status is quoted, taking effect today at 11-12.

The manager of the Imperial Co. here stated this morning that as yet he had not been advised of the reduction in price, and consequently could not say whether or not it would affect the price here. He was, however, of the opinion that it would not, as the oil used here was of a superior grade to that referred to.

FUNERALS TODAY.

The funeral of Frederick McDermott took place this afternoon at 2.30 o'clock from his late residence, 15 Drury Lane. The remains were taken to the Catholic cemetery. Interment was in the new Catholic cemetery.
