

The Renowned Kennedy HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS.—A CURE CERTIFIED BY THE MAYOR OF BOSTON.
Copy of a Letter from J. Noble, Esq., Mayor of Boston, to Prof. Holloway.

Dear Sir.—My dear Doctor, of Holloway's Ointment, Boston, has this day deservedly bid me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers on her hands, feet, legs, and other parts of her body; and, although the use of many different ointments at the cost of a great sum of money, she obtained no abatement of suffering, but greatly increased it.

Being recommended by a friend to try your Ointment, she prepared a small pot, and a box of the same, and before that was all used, symptoms of improvement appeared. By persevering with the application, after a short time longer, according to the directions, and strictly following your rules for its use, she was perfectly cured, and now enjoys the health of a young girl.

I remain, Dear Sir, your truly,
August 10th, 1852.
