THE BEST OF ALL.—We have been much interested of late in the many dolls possessed by a neighbor's little girl. She has them of all kinds, colors, and descriptions, but the one that pleased us most was issued by the J. C. Ayer Co., Lowell, Mass. It is the "Doll-Bride," has a beautiful face, many changes of fashionable clothing and hats, and is certainly the gem of the collection, as well as a work of art. Light rains have fallen in some portions of England, but the country is suffering everywhere from drought; farmers of all sections have one story of ruined crops and chances of a scant harvest. The wheat, barley and oat crops are all failures. The season is pronounced one of the worst in fifty years. Portions of the midland counties and some districts in Scotland have been favored with rains, but the country is looking burned and seared. The water supply in nearly all large towns is also very low. The weather has been fine for tourists, but they are missing some of the best landscape effects. The meadows, college lawns and gardens of Oxford are not as beautiful as they usually are, and the London parks are brown rather than green.

OSBORNE.—At Osborne Corner, Albert Co., July 17, John Osborne, aged 60 years, leaving a widow, four sons and six daughters to mourn the loss of a kind husband and faithful father. Brother Osborne was a true and loyal follower of Christ, loving righteousness and hating iniquity. Such are forever blessed.

DUNN.—At his residence, Bear River, on the 24th ult., Bro. Israel Dunn, entered into rest, aged 84 years. Brother Dunn, professed religion in early life and was baptized into the fellowship of the Jacksonville Baptist church by Rev. Richard Burpee, missionary to India. He was a man of superior intellect, a good citizen, and an exemplary Christian. An aged widow, sons and daughters mourn, but they know dying to him was gain.

HUME.—Mary E. Hume, wife of the late deacon David Hume, of East Chester, N. S., passed away June 2nd, aged 79 years. She was baptized at the age of 16 years by Father Joseph Dimock, and as long as her health permitted was a constant attendant at God's house and a faithful worker in the church. And even after her failing became so impaired that she did not know her own family, she would tell of the wonderful love of God, and repeat passages of scripture. Only a short time before her death she sang, "Nearer my God to Thee." Thus he greiveth his beloved sleep.

SMITH.—At Chelsea, July 12th, our esteemed sister, Mrs. Edward Smith, suddenly departed this life to be with Jesus, in the 70th year of her age. Sister Smith made a profession of religion and was a member of the church about forty years ago, and had adorned her profession by a devoted, earnest Christian life. Always ready with a helping hand to relieve the needy and to show a deep interest in every good work, and worst she was respected and beloved by all who knew her. She leaves a family of six children, a loving husband and a large circle of friends to mourn their loss. May God richly sustain them in their deep sorrow.

NICOLL.—At Mira Bay, C. B., on Sunday evening, July 16th, Mrs. James E. Nicoll, aged 42 years, passed to her eternal home. She had been in ill health for over 5 years but was only confined to her room for three days previous to her death. Our sister professed religion about 19 years ago, and was baptized by Rev. J. B. McDonald into the fellowship of the Mira Bay Baptist church and has ever since adorned it by a conscientious and devoted life. The funeral was conducted by Pastor McPhee and was largely attended. A husband and young family, besides a large number of relatives and friends, are left behind, but they mourn not as those who have no hope. May the God of Israel be their comforter.

OSNER.—At Chester Balm, Lunenburg Co., N. S., on the 29th of June, after suffering fourteen days and nights from the effects of being burned by her clothes taking fire while playing with some young companions, Etie E. aged ten years, youngest and sincerely beloved daughter of Levi and Lucinda Osner. While the sorrowing family were around her bedside, she begged them not to weep for her, but to meet her on the beautiful shore where there would be no more parting. The four sisters, three brothers, father and mother mourn the loss of the dear one, yet the dear Saviour's words comfort their hearts, "Suffer little children to come unto me, and forbid them not, for of such is the Kingdom of Heaven."

GIBSON.—Mr. James M. Gibson, of Studholm, Kings Co., N. B., died on the 20th from the effects of an accident caused by a horse stumbling and falling in the main road between Sussex and Berwick. Mr. Gibson fell headlong from the carriage, striking on the top of his forehead, breaking his neck and causing instant death. The deceased was a brother-in-law to Professor Kier, and was present at his funeral, which was very large. The funeral was conducted by Rev. Jas. A. Porter, pastor of the Studholm Baptist church, assisted by Rev. A. H. McLeod, Free Baptist, and Rev. Mr. Bailey, Methodist, both of Kings 4-12: Prepare to meet thy God O Israel.
