Albert, Aug. 10.

SECOND KINGSCLEAR, N. B.—Bro. G. A. Hammond, after more than 40 years of faithful service as clerk of the church, recently resigned the office, and Frank McNally, a worthy and intelligent young brother was chosen to fill the place. Correspondents please note the change. Bro. Hammond, the late clerk, is now, 87 years of age, and is yet quite a regular attendant at the meetings.

PRINCE WILLIAM.—As two of the deacons of the church are well advanced in years, and quite infirm, it was considered expedient to appoint a young man on the staff. The choice quickly fell on Brother Charles Gunter, a man in the prime of life, concerned in all things affecting the welfare of the church and one who is not afraid of work. Brother Leveret Estabrooks the efficient clerk of the church, met with a painful accident several days ago, by falling off a load of hay. After recovering from the shock he climbed back again and finished loading with one hand, went to the barn, did up the evening chores, and when nearly through he discovered that his left collar bone was fractured. The doctor was called in, and everything possible was done, with satisfactory results. Three days after the accident Brother Estabrooks was at the monthly Conference and the following Sunday attended both morning and evening service. Mr. E. is the 72nd year, a man half his age would keep his bed. Grit is what some of us need.

LOCKEPORT, N. S.—We are getting fairly settled in our new home and are getting started in our work. We hope by the end of this week to have met about 50 of our resident membership in their homes and look forward to enjoyable fellowship with them in the service of our Lord. The church has been sustaining its prayer meeting while pastorless, both on Friday evening and Sunday morning; and we had two Sunday Schools flourishing, and one, after a long sleep, spring at Western Head. The resurrection of this latter is largely due to the energetic efforts of one of our young men. The visit of Bro. Raymond, July 23rd, did us all good. His strong sermons of that day were a help to the pastor and were food for us all. We are grateful to him. Last Lord's day it was our privilege to administer baptism to five happy young believers. Several others are awaiting the ordinance. Many of these are among the results of special services held here during the winter under Evangelist Walden. Brethren pray for us that many more may be brought into the full liberty of the Gospel of Christ.

THE MAP OF THE CANADIAN WEST.

Please note.

1st.—This is a fairly good map of the country, giving railways built and projected, rivers, towns, postoffices, very correctly.

2nd.—Each square is a township, six miles each way and contains 36 sections of 640 acres. From this any one can form an idea of extent of the country.

3rd.—The great Peace River Country is not included, but is about 500 miles northwest of Edmonton.

4th.—The dividing line between the two new provinces of Alberta and Saskatchewan is the Fourth Initial Meridian.

5th.—The tranships number from the south boundary and are found on the fourth meridian line and the ranges number from the east.

6th.—There are 240,000,000 acres of valuable land and 171,000,000 acres of this is good wheat land. Of this 5,000,000 acres already ploughed.

7th.—The regular appointments only are marked. The occasional and thus a few of this spring are not marked.

8th.—Notice the large districts with towns and post offices indicating settlement where the Baptists are not represented. There remains much land to be possessed.

9th.—We ask the co-operation of every Baptist in Canada to aid in planting new Testament churches in every district of this great land.

BABY'S OWN TABLETS.

Cure Hot Weather Ailments and Summer Complaints.

In the hot weather the little ones suffer from stomach and bowel troubles, are nervous, weak, sleepless and irritable. Their vitality is lower now than at any other season. Prompt action at this time saves a precious little life. Baby's Own Tablets is the best medicine in the world for little ones. They speedily relieve, promptly cure and give sound refreshing sleep. And they are guaranteed from opiates and harmful drugs. They always do good—they can not possibly do harm, and no home should be without the Tablets, especially during the hot weather months, when dangerous troubles come suddenly and almost unperceived. Mrs. Adam Marticotte, Chloredormes, Que., says: "I have used Baby's own Tablets for diarrhoea and stomach troubles and always with the most perfect success. They are better than any other medicine I know of." Sold by all druggists or by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Dockville, Ont. See that every box bears the name "Baby's Own Tablets" and the picture of a four-leaf clover on the wrapper. Anything else is an imitation.

WHAT IS IT TO FOLLOW CHRIST?

By Lyman Abbot, D.D.

To follow Christ is not to go out of the world. It is not living apart from the world. Christ lived among men and dwelt with them. It is not doing great things. It is carrying into our common life what Christ carried into His common life. Christ came to make men happy. "I have come," He says, "that the blind may see, that the imprisoned may be set free, that the sorrowing may be comforted that the poor may have glad tidings." And wherever He went He did make men happy. He carried joy with Him; He was a joy-distributor. To follow Christ is to make others happy. We cannot give sight to the blind, but we can help a blind man across the street. We can not give hearing to the deaf, but we can give him assistance. We can not feed five thousand, but we can contribute something to feeding the hungry. We can not call the dead to life, but we can carry the life of our own faith into the home that is darkened by death. We can carry comfort, peace, joy, into other lives as Christ carried them into other lives.

Friend—Now that you have made millions, what will you do?

Old Bullion—"I shall retire and amuse myself telling people what a burden Wealth is and how happy I was when I was poor."

NOT SUCH A FOOL.

"What made that horse kick you?" they asked the stable boy as he rubbed himself.

"You may think I'm a fool," he replied; "but I ain't such a fool as to go back and ask him."
