

TEAM COMING FROM MONTREAL

Star Baseball Club Has Asked Standard to Arrange for Games -- Who Will be the First to Speak?

St. John managers looking for new fields to conquer will be interested to know that the Star Baseball Club of Montreal is anxious to play in this city. A letter received by The Standard speaks for itself. The communication follows:—

Montreal, Sept. 10, 1910.
Sporting Editor Standard, St. John, N. B.

Dear Sir,—I would like very much to arrange a series of games to be played in St. John or other towns with our club and not knowing the address of correct party thought I would take the liberty of writing you, in order to see my letter is passed on to the right person. We could get away for a week at end of this month or early in October, and would not ask for much more than expenses. We have about the fastest nine in and around Montreal, our record so far being 13 victories, 3 losses and 2 drawn games out of 23 played. Two of our men are due for a try out with our local Eastern League team, which speaks well for us. We would be willing to play as many games as requested in St. John or any other towns where we would be booked. I may mention that we hope to have our own grounds here next season, and would then of course give return games. You may wire me at my expense if necessary. Thanking you in

ALL-ST.-JOHN LOST AT CALAIS

Maine Town Team Won Close Game by 4-3 Score—Harrigan and Lynch Signed With Border Team.

St. Stephen, Sept. 12.—The all St. John team came to the border today and played on the Calais diamond, meeting defeat by the close score of 4 to 3. Bovard and Rootes formed the St. John battery and O'Neill and Cobb the battery for Calais. It was a rather slow game with frequent errors on both sides.

The St. John players were, Rootes, c.; Bovard, p.; McGovern, 1b.; E. Ramsey, 2b.; A. Ramsey, 3b.; M. Harrigan, ss.; Lynch, lf.; Chapdelaine, cf.; Cribbs, rf.

Ryan, of Calais, got the glad hand in making two feature catches in left field. St. Johns had rather hard luck filling the bases twice but did not score. The visitors had a good word to say for the work of the umpire and the generous conduct of the fans. Iott and Neptune, of Woodstock, appeared with the Calais team.

When the St. John blue left for home they were minus two of their men, as Lynch remained to play with St. Stephen, and Harrigan with Milltown.

advance, and trusting I am not putting you to much trouble,

Yours very truly,

Cecil M. Hart,
Mer. and Sec. Treas.
The Standard will be glad to hear from any of the local magnates and will open up negotiations with Mr. Hart.

Hunter Worth Six Players and Cash

Kansas City, Mo., Sept. 10.—This human hinge is Fred Hunter, the 1st baseman for whom Pittsburg has traded six players and paid a sum of money to the management of the Kansas City team. He doesn't seem to be swelled over the fact that he is a pearl of great price, does he?

Pittsburg wasn't the only team after Hunter. Cleveland and St. Louis tried for him. "We could have had him, but preferred to keep League park for our own use," said President Somers of the Cleveland club, after learning the value Manager Dan Shay placed upon his first sacker.

You would scarcely classify Hunter as a springer. He is only twenty-four, but has been playing the game about as long as Stony McGlynn. His career has been marked with ups and downs enough to satisfy even an elevator operator.

Hunter joined Kansas City last fall, being drafted from Sioux City. Shay took Hunter because he needed some one who could hit and Hunter hit .320 in the Western league. Shay considered the draft price high. Last spring Hunter didn't show class, but he managed to beat Joe Beckley for the job. It was six weeks before he cut loose and he has been winning

games ever since. Now he's an American association star.

Hunter started in the South Texas league with Houston in 1905 batting .305. He went to Baltimore that fall and in 1906 hit .240. In 1907 his average was only .231. In 1908 Baltimore turned Hunter back to the Texas league and last spring he went to Sioux City where he struck his

THE ABBE WON 8TH VICTORY OF SEASON

Syracuse, N. Y., Sept. 12.—The Abbe, unbeaten this year, won his eighth victory of the season today, in capturing the Syracuse stake, the feature of the opening day of the grand circuit races in connection with the week's exhibition of the New York State Fair. Ed. Goers had no trouble in sending the black whirlwind through for a three heat victory. Lady Isle was a stubborn contender in the first two heats and in the second forced the Goers entry for the latter part of the journey to his best clip, he travelling the final quarter in 29 flat and landing a bare length in front of Lady Isle.

The Ka-Noo-No stake for young 2.25 trotters, went to Lionello in straight heats. The 2.18 trot result was a triumph of endurance for Henry Winters.

LOOKING NOW TO HERALD RACE

Long Distance Runners Should Get Down to Work in Anticipation of Big Event on Thanksgiving Day

The annual Thanksgiving Day race of the Halifax Herald and Mail is undoubtedly the big sporting event of the Maritime Provinces and the one that is most looked forward to by the devotees of the spiked shoes. Every present day fast runner in the Maritime Provinces were discovered or discovered themselves by competing in this big event. It was there that such a fast man as Holmer, the prettiest runner in the business, first won fame, and the plaudits of the public. And it was there that that wonderful little racing machine Fred Cameron of Amherst first demonstrated that he was possessed of the stuff which goes to make up champions. These are only two examples; the list might be lengthened out indefinitely. St. John runners have always cut a big niche in this race in past years, and it is to be hoped that they will again don their athletic togs this Thanksgiving and again test their abilities against the cream of Maritime Province runners.

KEEN INTEREST IN BALL GAME ON WEDNESDAY

Wednesday afternoon the 4th game in the Clippert-St. Peters post series will be played. It will be the McBrintley last stand and should they lose, they will have lost the opportunity of winning two championship honors in one year. On the other hand should they succeed in wresting the game from the saints, they will at least be given a new lease of life and another chance at the championship.

For this reason they will go into the game tomorrow fully prepared to do their utmost, and show the best baseball they know, in order to come out victorious. The St. Peters are determined however, that they will wind up the series and prove conclusively their superiority over the Marsh Road champions. Should the saints win tomorrow it is proposed that a game be arranged between the St. Johns and the North Enders on Saturday. As many followers of the game still believe the St. Johns are the fastest outfit in the city, notwithstanding their defeat by the Clipperts, this game should prove a great attraction.

Tomorrow's game starts at 3 o'clock sharp. Harrington will again pitch for the St. Peters while McGovern will perform for the Clipperts.
