GOVERNMENT MAKES LIBERAL PROVI FOR PUBLIC WORKS OF THE COUNTRY

The Main Estimates for Coming Fiscal Year Tabled in Commons Yesterday Afternoon by Hon.

000,000 for St. John harbor and improvements and \$1,000,000 each for harbor improvements at Toronto, Van couver and Victoria.

The votes for Lt. Governors for the various provinces are not changed from last year and the government does not in the main estimates accede to the requests of the provincial conferences for increased salaries.

There is considerable increase in salaries for inside civil service, the total increase being \$584,041. The increases arise out of a legislation to be brought in this session reclassifying the inside service. There is also an increase of salary allowance for the penitentiaries, but no provision is made as yet for increases in the indemnity for members of parliament.

In the vote for arts and agriculture, which totals \$31,5000, there is an appropriation of \$800,000 under the agricultural instruction act passed last session as compared with \$500,000 for the previous year. Other increases in the department include \$110,000 for experimental farms; \$20,000 for the development of dairying and fruit industries; \$50,000 for the health of dustries; \$50,000 for the health of the province of the province of the previous year. Other increases in the department include \$110,000 for experimental farms; \$20,000 for the more of the previous year. \$52,600,723.
The cost of government owned and operated railways, representing 2,131 miles of line, reached a total of \$126,730,837 in 1913. This is not included in capitalization.
Dividends on stocks amounted in 1913 to \$33,670,651. In 1908, the volume of dividends \$12,955,243; so that the increment within that period was equal to 160 per cent.

The amount of cash subsidies paid during the year was \$9,758,084, distributed as follows:

By the Dominion \$9,176,234; by the provinces \$554,500; by municipalities \$27,350.

Mr. Moussauls Return to Private Citizenship Alters Legal Aspect-Further Action for Upper House.

Quebec, Jan. 23.—The outstanding feature of today's happenings in the Quebec legislature was the announcement of the resignations of Hon. Messrs.—Berard and Bergevin of the Legislative Council, and of Mr. J. O. Mousseau, M. P. P., for Soulanges and chairman of the Private Bills Committee in the Lower House. These are the members of three legislatures who are specifically charged in the second "evidence of corruption" articles which appeared in the Montreal Daily, Mail.

Montreal, Jan. 29.—Hon. W. S. Fielding, who was president of the Telegraph Publishing Company, and on the amalgamation of the Telegraph with the Herald was invited to take the position of president of the Herald Company has declined. In explanation of his action he gave out a long statement tonight, in which he attributed his action to the fact that he had discovered Sir Hugh Graham was in full control of the new enterprise.

B. R. W. Deacon for three years managing editor of the Herald and several other members of the late Herald and Telegraph-Witness staffs have also resigned.

On motion of Mr. Tellier, seconded by Mr. Perron, a resolution was adopted to the following effect: "That this committee propose to the house the petition and application of Messrs. Nichols and MacNab to the effect that safe conduct be granted to their witnesses, so that the house may dispose of this petition and demand and give to the committee such instructions as may seem proper." Sir Lomer proposed the following amendment: That this house considers it is not necessary to summon Messrs. Nichols and MacNab before ft again and leaves whatever further action may seem necessary to the Upper House. Mr. Lavergne protested that to leave the entire upper chamber under suspicion and questioned whether the members of the council had the right to refuse to accept the risk of exposure and permit this general suspicion to attach to them.

The following resolution, moved by Gordon A. Grant, of Southampton, seconded by George P. Olts of Meductic, and was unanimously adopted:

"Resolved, that we, supporters of the present provincial government, in convention assembled, place on record our entire confidence and steadfast allegiance to the government of this province so ably led by the Hon. J. K. Flemming, a government which has by prudent administration, not only fairly and equitably caused revenues of this province to be collected, but has spent money of the people for the benefit of and in the interest of the people."

Juarez, Mexico, Jan. 28.—Gen. Francisco Villa arrived from Chihuahua today. He will confer for several days with representatives of mining and smelter interests regarding resumption of business in the rebet territory. He then will return to Chihuahua, which he calls the provisional capital of the republic, to direct the attack on Torreon. With Gen. Villa were Parameters of the problem of the
