OBITUARY.

The death of Mr. John Albrighton Clarke occurred yesterday, July 29th, at his late residence, 191 Queen street. He came to St. John from Fredericton in the year 1880 to accept a position as travelling with Brock & Patterson, having been formerly employed with John J. Weddall. He held the position until the death of Mr. Frederick Brock in 1901. The business then becoming a limited stock company he became a partner. He is survived by his wife, who was the youngest daughter of the late Mr. George Nixon, a son and daughter also his father, Mr. Henry B. Clarke, his mother, one sister, Miss Clara, and two brothers, Harry M. and Edwin H. of Fredericton.

The funeral will take place from his late residence on Saturday afternoon. Service will be at 2:30 o'clock.

Mr. and Mrs. J. R. Dykeman spent Sunday at Mill Cove.

Piles

That Dr. Chase's Ointment actually cures the worst cases of itching, bleeding and protruding piles we know for a certainty, because of experience with thousands of cases. To prove this to you we shall send you a sample box free, if you enclose a two-cent stamp to pay postage, and mention this paper.

Dr. Chase's Ointment

An Easy Way to Increase Weight

Good Advice for Thin Folks.

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat.

Thanks to a remarkable new scientific discovery, it is now possible to combine the best of the very elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This master-stroke of modern chemistry is called Sargol and has been termed the greatest of flesh-builders. Sargol aims through its regenerative, re-constructive powers to coax the stomach and intestines to literally soak up the fattening elements of your food and pass them into the blood, where they are carried to every starved, broken-down cell and tissue of your body. You can readily picture the result when this amazing transformation has taken place and you notice how your cheeks fill out, hollows about your neck, shoulders and bust disappear, and you take on from ten to twenty pounds of solid, healthy flesh. Sargol is absolutely harmless, inexpensive, efficient. Leading druggists of St. John and vicinity have it and will refund your money if you are not satisfied, as per the guarantee found in every package.

Caution.—While Sargol has given excellent results in overcoming nervous dyspepsia and general stomach troubles it should not be taken by those who do not wish to gain ten pounds or more.
