The St. John Lumber Exchange met

last evening and, by invitation, a number of North Shore lumber operators were present. The action of the North Shore men at Fredericton was stated by Geo. McLeod, Esq. It was their opinion that the trade could not bear the stumpage the Government sought to impose, and therefore, they had refused to purchase They were also determined to saw no Incy were also determined to saw no lumber cut off lands purchased from the Government. The question of production was afterwards discussed, several Madrid, and Mr. Davis at Berlin, have J&S Leonard gentlemen taking part. The discussion seemed particularly between the North structions and will not fail at the proper Shore and St. John lumbermen, as to where lumber could be produced the cheaper. The North Shore men claim Monroe doctrine. The proposed cession that they cannot afford to pay as much of the Island is said to be in return for Germany's recombility. that they cannot afford to pay as much stumpage as those operating on the St. John, Tobique and other streams. Though there is a distinction made between the amount to be paid in the two localities, the North Shore men claim they are taxed too much. On the other hand Fredericthe Miramichi. It was explained that in believed will ensue. Fredericton the North Shore men had signed a "Round Rebin" agreeing to pay \$8 per mile, and 25 cents per thousand stumpage. Several St. John gentlemen expressed the opinion that the Government idea of a good wholesome stumpage was the correct one, and without it without the shadow of foundation parties on the Miramichi could purchase and monopolize the whole business. They ridiculed the idea of twenty-five cents cussion was continued until a late hour, General's loss in killed and wounded was but there was no prospect at any time of fifty. the North and South agreeing on either the stumpage or production questions.

Lumber Exchange.

Leod, Esq., M. P., Mr. Snowball, Hon. Stewart, and S. T. King, Esqs. An Interesting Case—All about a Chronometer. the City Court this forenoon before Judge rived at Rennes. Peters and Ald. Drake. It was brought by A. J. H. Bartsch against W. Welsh, as managing owner of the bark St. Elmo, to recover for twelve months' hire of a onometer, at four dollars per month. From the evidence it appeared that Mr. Welsh and Capt. Partelow of the St. Elmowent to Mr. Bartsch's shop and hired the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument, and took it in the vessel that Mr. Took in the instrument is the instrument in the instrum to Liverpool. It was sent back by another vessel-the Jane Partelow - but never reached its destination, and at present it is not known what has become of it. Mr. Bartseh claimed the rent for the 680. past year, and as much longer as it may be kept out of his hands, while the defendants claimed that it was the at 5 o'clock. Captain who was responsible, and not the owners. Mr. Welsh said that their practice was to oblige

they furnished them they charged the captain for the hire, and he positively denied ever hiring the instrument in question from Mr. Bartsch. After hearing the case Judge Peters recommended a settlement. It was an important case, and several questions must be considered. How long any firm would be obliged to pay hire for an instrument that was known to be lost, and other questions, would come up. He recommended all parties that they could not agree. Mr. Bartsch to take \$120, and the defence only offered

\$120, which settled the affair. A nonsuit was according entered. Moosepath Races. The attendance at Moosepath yester day was quite large. The three-minute race was won, after four heats had been trotted, by Oddfellow of St. John, Flora taking second money, and Olive Logan of Calais third.

The other trotting race was for drawn before the race was called. The race was won in three straight heats by Pomp, entered and driven by S. T. Gold- highway robbers nineteen years

City Police Court.

Business was dull this morning.

Michael Landers was first called upon to answer a charge of being drunk and disorderly in Dock street. He confessed and paid over his \$6, and afterwards denied being drunk. He said he confessed only to save any fuss, and threatened terrible consequences. Sergt. Watson, who made the arrest, said he was drunk and very disorderly, and had a crowd of a hundred collected round him. The young man left the court room yowing vengeance, and a suit for convowing vengeance, and a suit for con- When Theodore Parker married Lydia equential damages may be expected.
