A SUCCESS

From every town and city along the line come reports of the tremendous success which is greeting the National Opera Company in their superbly beautiful production, "The Gypsy Maid." The glorious singing of the grand opera quartette in their really excellent presentation of the Mikado and in the gypsy revue, the funny monologues of that sterling Canadian actress, Peggy O'Neill, and the extravagantly costumed ballet staged and directed by Miss Sternberg in their grand variety of classical and national dances, combine to make this an attraction of such merit as to ensure a capacity house in every town. The company plays here on Monday, Jan. 31, in the Opera House, under auspices of the Hockey Club. Plan now open at Lumley's drug store. Admission—reserved seats, 75c. Order early or you will be one of those left out. Remember this is a guaranteed attraction.

Our hockey boys have won every game played in the O. H. A. series this year and will need a little support to help them win the Ontario Hockey Association title. Come out to this high-class concert on Monday night and show your appreciation of what our boys have done, and help boost the Glencoe Hockey Club as well as the town.

DEATH OF MRS. LAUGHTON

The death of Mrs. Deborah Laughton, relict of the late Charles Laughton, occurred at the home of her son Edward in Ekfrid. She had reached the age of 84 and had enjoyed comparatively good health until a few months ago, when she suffered a stroke. Her husband predeceased her by about ten years.

Mrs. Laughton, whose maiden name was Thompson, was born in the township of Esquimaux, in Halton county. The family shortly afterwards moved to Orford township. Later her family moved to the township of Metcalfe, where on Christmas Day, 1856, she was married.

She is survived by three sons—John E. and Edward A. of Ekfrid and Samuel C. of Metcalfe. Also one brother, S. J. Thompson of Duluth, Minn., and one sister, Mrs. Freeland of Grand Rapids.

Rev. Mr. Whaley conducted the funeral service at the home, after which interment was made at the Springfield cemetery, Metcalfe. Music was rendered by the Appin choir.

On the seventh and last ballot Mr. Ryckman obtained 17 votes and Mr. Holman 13.

AUTO BANDITS AT LONDON

Automobile bandits staged a dramatic coup at the Grand Trunk Railway station at London Saturday evening, when they carried off the strong box of the Canadian Express Company, while they covered the express car crew, several railwaymen and a number of other people with revolvers. The box contained \$800, mostly Grand Trunk Railway funds, collected on the London, Huron & Bruce.

The robbery followed close on the heels of the arrest of the two alleged bandits, Norman and Denton Garfield of Toronto, who were taken into custody by the police on Friday night, and have since been identified by Woodstock people as the men who shot and killed Ben Johnston, a store-keeper of that city, who resisted while they were robbing his store.

The car in which the bandits got away was found some time later on the outskirts of the city on the Wharmcliffe road. Here the robbers appeared to have transferred their booty to another car, which was in waiting, and made off in the direction of Lambeth.
