

	No. of Vols.
The Stolen Child .....	1
The Lives of the Players .....	2
The Life of Lord Byron .....	1
*The Life of William Spence, prefixed to his Essay on Logarithmic Transcendents .....	1
Ouranoulogos, or celestial volume, illustrated by Mr. Martin.	
The Member .....	1
The Radical .....	1

N.B.—These are all I recollect. The greatest part are anonymous; besides three pamphlets, one on the trade between the West Indies and our North American Colonies. "The Speech not Spoken," and "Cursory Remarks." A vast number of Tales and Essays are in different periodical publications and annuals; together with "Visitors, or a Trip to Quebec", and "An Aunt in Virginia", performed at New York.
