## POOR COP

J

"Like Mr. Stigging, his vanity is-brandy hot. Now and then he drinks to do him justice, not very often. Once in six months, regular as clock-work, he gets hopelessly drunk, and just now the

Guy alone being silent, she glances at him presently with a smile full of kind-ness, that claims and obtains an an-

in six months, regular as clock work, he inke it?" gets hopelessly drunk, and just now the "More than I can say. Lilian, you time being up, he, of course, chose this particular day to make his half-yearly and—you like him?" exhibition of himself, and, having imbided and my traps to Chetwoode in time for "he first dreament to the shandsome, the first dreament to the shandsome "he first dreament to ware favore" says Chet.

and my traps to Chetwoode in time for the first dressing-bell." "A passport to your favor," says Chet-"What a satisfactory sort of servant!" "He is, very, when he is sober-abso-lutely invaluable. And then his little be had not chosen this night of all others in which to play me false. I don't know what I should have done had I not thrown myself upon Musgrave's mercy and borrowed his brushes and combs and keen that involuntarily he draws himself

know what I should have done had I not thrown myself upon Musgrave's mercy and borrowed his brushes and combs and implements of war generally. As it was, I had almost given up hope of being able to reach the drawing-room at all to.night, when just at the last moment my 'trea-sure' arrived with my things and-any sure' arrived with my things and-any good of you to lusten so patiently, but should have been too unhappy had been prevented from telling you all this." <sup>4</sup>I think, after all, it is I who should ex-ian, with a gay,irresistible laugh that cause es Guy, who is at the other end of the room, to lift his head and regard her

es Guy, who is at the other end of the room, to lift his head and regard her anxiously. He is sitting near Florence on a sofa (or rather, to speak more correctly, she is sitting near him), and is looking bored and gene. Her laugh plans him unac-countably; glancing next at her compa nion he marks the still admiration in the dark face as it gazes into her fair one, to rid her of his presence. dark face as it gazes into her fair one. to rid her of his presence.

Already—already—he is surely empresse. "But the fact is," Lilian is saying, "I answers, somewhat sharply—Miss Beau-have always been in the habit of visiting champ being addicted to such foreign

have always been in the habit of visiting (champ being addicted to such foreign Taffy's room before he has quite finished his dressing, to see if there be any little "Do you?" says Lilian, laughing at his final touch required that I might give in tondon?" "No; never saw him until a couple of hours ago. Very nice little fellow, I should say. Cousin of yours?" (Yes; isn't he a pet?" says Lilian, laughing at his est, most nonsensical to be found in her hours ago. Yery nice little fellow, I should say. Cousin of yours?" (Yes; isn't he a pet?" says Lilian, laughing at his est, most nonsensical to be found in her her agerly, always glad to hear praise of her youthful punger. "There are few like when she has finished she says to him
