Sir,-

Enclosed herewith is a blue print plan showing coloured thereon two small strips of land in the Pasqua Indian Reserve required by the Grand Trunk Pacific Railway Company for a road diversion. The area is 1.60 acres. Kindly state the sum that you consider would be sufficient compensation for this land.

Please consult the Indian Council as usual in order to ascertain their views and concurrence with the valuation which you may arrive at. Also for their <sup>information</sup> ~~advice~~ of the fact that the land is required for road purposes. *Please return the plan with your report.*

Your obedient servant,
