

negotiated with Baron Kaneko <sup>3197</sup> for  
a Canadian Club address yut. On  
November 2nd - he gave a stirring  
reception here, to commemorate  
the Emperor of Japan's birthday. It  
was in the Sunnyside Hall. Room -  
and quite a galaxy of Boston  
elect.

I have just got a girl  
married to a French Count - This  
afternoon - as nearly as I can  
make out they have been having  
middie all day - Civil  
and otherwise. I can just imagine  
Ottawa, as getting a little cool. No  
will in about the new régime  
and all the rest. Always yours
