Dear Mr. Rivard,

I am taking the liberty of writing you on the subject of calling conventions and nomination of candidates feeling that you will take an interest in the matter, and consult with Mr. Lookwell and Mr. Audette and all others interest in organization with a view to getting results. It is my opinion that in the general interest of the party, not only in Quebec, but throughout Canada it would be well to have one or two conventions in the Quebec district as well as in the Eastern Townships and the Montreal district, and candidates nominated in our interest. I have in mind at the moment the County of Dorchester, but perhaps our friends there would consider another County more appropriate. Wherever the right Candidate can be selected in a hopeful seat I think it ought to be done wither right away or very soon. Please confer without undue publicity on this and let me hear from you.

Yours very truly,

Antoine Rivard, Esquire,
Barrister, etc.,
