Toronto.

Dear Mr. Meighen:-

Our Board of Directors will appreciate very greatly, as I do personally, your very kind letter of recent date, and the indication which it contains of your co-operation.

Building up an instrument which will minister effectively to human welfare requires a good deal of thought, planning and financial support. We are indeed indebted to you for your thoughtful interest.

Sincerely yours,

F. N. Stapleford

FNS/EC.

General Secretary.
