

Daniel River had the only
 horse he now shows by him. This
 might, or might not, be the
 identical horse Lucius Murry
 got from him; and the paper
 signed by David McWilliam
 does not state that River had
 the horse in his possession
 at the time he offered it to
 said McWilliam for sale.

You should yourself
 see River and the horse and
 then report.

I am, Sir,

Your obedient servant

W. J. [unclear]
 for the Deputy of the Deputy
 of Indian Affairs.
