

Ottawa, November 2, 1914.

I am in receipt of your letter of the 26th ultimo, No. 125, with enclosure, and in reply beg to say that you may send George McLean, referred to therein, to a hospital and have a specialist treat his eyes. You should make the most economical arrangement possible with the specialist covering his expenses.

A. Stewart

For Asst. Deputy & Secretary,

C.P. Schriener Esq.,

Indian Agent,

Dark Lake, Sask.
