

116859-1

February 11th, 1919.

Sir,-

I beg to inform you that the Department contemplates providing a 5 H.P. engine for the Blue Quill's Industrial School to replace the 2 H.P. engine now in use there, and which will be transferred for use in the Agency building, replacing the useless one now there, this having been recommended by Inspector Markle.

Due notice of the shipment of the engine with the necessary instructions will be sent you when arrangements have been completed.

Your obedient servant,

Asst. Deputy & Secretary.

Chas. E. Hughes, Esq.,
Indian Agent,
Saddle Lake, Alta.
