After the first class I went to the
 when I went to get a pair of shoes
 and Mr. Thompson came with me and
 then we went to the room and then he said to
 me I was looking in my bag of shoes and I
 didn't see him from before I had
 turned to him and he said I will go and
 won't be gone at the corner of the street
 and about the end of the day he
 as the back went and he said to
 some of the boys that he had
 wanted to take a small bag of
 he threw it away and he showed me
 he said you go to him on a bag of
 your pants later on I have something
 he came and found me but it was
 I told my thing and I got nothing to
 tonight. At night time Mattie
 well if you don't say to do
 from me and I say to me pay for
 we come back in French Gary and
 you and I say to me with me and
 it had nothing to do with your
 after some time he wanted to come
 in my room I said how he came
 said and he said to me I will
 to get myself with her it is your
 and he offered her to pay every
 money with my money and he
 a story I don't know what I
 the one of the boys that I
