

CONTENTS.

CHAPTER I.

	PAGE
Introduction.....	1
General statement.....	1
Means of communication.....	6
Previous work.....	8
Climate.....	9
Flora.....	10
Fauna.....	18

CHAPTER II.

Topography.....	21
Regional.....	21
General features.....	21
Rocky Mountain system.....	21
Interior system.....	23
Coastal system.....	25
Local.....	25
General features.....	25
Detailed descriptions.....	28

CHAPTER III.

General geology.....	35
General statement.....	35
Table of formations.....	38
Detailed descriptions of formations.....	38
Metamorphic rocks.....	38
Pre-Cambrian (?)—Yukon group.....	38
Distribution.....	38
Lithological characters.....	38
Age and correlation.....	40
Dominantly sedimentary rocks.....	44
Pre-Middle Cambrian—Tindir group.....	44
Distribution.....	44
Lithological characters.....	45
Age and correlation.....	54
Silurian-Cambrian limestone-dolomite group.....	58
Distribution.....	58
Lithological characters.....	58
Age and correlation.....	61
