A LETTER FROM NEBRASKA.

Buffalo County, Nebraska, has had its drawbacks as well as the rest of the counties in that and other states. But this year it is fully equal in prosperity to the best of them. Small grain has not been up to the standard, but corn is a good crop. The northern part of the county has suffered from the dry weather, but in most places a good crop will be the result of a summer's work. It will be wise for those who contemplate a trip west to avail themselves of the opportunity given by the C. R. & Q. R. R. in the Harvest Excursions, September 12 and October 10, and see the country for themselves. Those who have not been in the state for two years will be surprised at the great improvements made, and the extent of ground put under cultivation during that time. Do not forget the date, and come and see the great State of Nebraska. H. A. KUTS, Ravenna, Mt., Buffalo Co., Nebraska, August 18, 1893.

Those interested in hay harvesting machinery should pay particular attention to the exhibit of Mr. James W. Provan, of Oshawa, who has paid great attention to pitching machines. There are special features about his mode of putting up an iron track which has many advantages. He can also place a number of stop blocks at different points along the track, and when required the car passes them all without tripping.

We would call the attention of our readers to the special list of goods advertised for sale by R. V. Manning. Certainly no better opportunity was ever offered of obtaining articles in first class condition at such low prices.

Below we publish an excellent testimonial for Saskatchewan buffalo robes:

Mr. A. MANNING.

Galt, Canada.

DEAR SIR: After a careful and thorough examination of the Saskatchewan buffalo robes sent to me some few weeks ago, I am satisfied that they are warm and durable, and just the article to fill the place of the original buffalo that has disappeared so rapidly in the last few years. When known here, will undoubtedly be a large demand for them, and I am certain that they will give entire satisfaction.

Yours truly,

[Signed] W. E. CODY.

Mr. Cody is no doubt better known to our readers as "Buffalo Bill."

Mr. F. W. Stone, Guelph, announces in this issue an auction sale of a large herd of Herefords, besides other stock. Morton Lodge farm is now being used as the home of a long established herd.
