

THE GATE THAT SERVES YOU BEST

THE PEERLESS
Braced Like a Steel Bridge

JUST as the engineer strengthens the points of strain in a big, mighty bridge, so we have designed braces, stronger than was necessary, to make our gates stiff and rigid. They can't sag—they can't twist—they are a great improvement over gates made the old way.

Peerless Gates are made of first-class material. Frame work of 1 1/2 inch steel tubing electrically welded together. Peerless pipe braced gates are all filled with heavy No. 9 Open Hearth galvanized steel wire—built for strength and durability—weather proof and stock proof.

Send for free catalog. Ask about our farm and poultry fencing, also our ornamental fence and gates. Agents nearly everywhere. Agents wanted in open territory.

Deering New Ideal Binder The Master of the Grain Field

DEERING harvesting and haying machines have established a world-wide standard. Wherever grain is grown, the Deering binder is known as a reliable machine, one that is always ready to go into any field of grain—short or tall, standing, down or tangled—and cut and bind it all.

Deering quality has a name the world over, but the machines themselves are changed to meet the conditions of various countries. For the work in Eastern Canadian harvest fields certain features are added which make the New Ideal binder particularly efficient.

The T-shaped cutter bar allows the platform to be tilted close to the ground when necessary. The reel is easily adjustable to exactly the desired height. It can always be held parallel with the cutter bar, whether working high or low. Smooth section knives can be used in place of usual serrated knives when desired. The change can be made in a few minutes. The three packers and three discharge arms help greatly in doing efficient work. The wonderful Deering knotter needs only to be mentioned—you know what it does.

Other strong features as well as these will be explained to you fully by the I H C local agent. Drop in and see him, or, write for a catalogue to the nearest branch house.

EUREKA
SANITARY CHURN

There's no comparison between the ordinary wooden churn and the "EUREKA". Barrel is stoneware—top is clear glass. Besides being absolutely sanitary, the glass top enables you to see how the churning is coming along without opening the churn.

Also made with Aluminum top.

The "EUREKA" is the easiest churn on the market to operate. By tilting back the frame until the weight rests on the wheels, the churn can be quickly and easily moved—while the barrel remain upright.

If your dealer does not handle the "EUREKA," do not take a substitute but write us for catalogue.

EUREKA FLANTER CO. LIMITED, WOODSTOCK, ONT.

GOVERNMENT STANDARD

SEEDS

Sold under the guarantee that if they do not entirely satisfy you on arrival, you may ship them back at our expense. We buy most of our seeds direct from the farmers here who grow them.

ALFALFA.—There is practically no home-grown seed this year, as the wet weather caused a new growth of plant instead of seed. We have some splendid seed though, suited to our land, which we recommend. Price, \$12.00 per bushel.

RED CLOVER.—A splendid, clean, bright sample. Price \$15 per bushel.

ALSIKE.—Clean and bright. Price, \$15 per bushel.

TIMOTHY.—Bright and clean. Price, \$3.25 per bushel.

O. A. C. No. 21 BARLEY.—90c. per bush.

SILVER MINE OATS.—60c. per bush.

SIBERIAN OATS.—60c. per bush.

BANNER OATS.—60. per bush.

These prices good till next issue. Bags extra—Cotton 25c., jute 10c. Cash to accompany order. Ask for samples.

A FARMER'S GARDEN

It's without real serious meaning to many thousand farmers because they think it is too hard work or it is not convenient to work a horse. So many farmers fail to understand what truly wonderful possibilities there are in modern hand tools.

IRON AGE Wheel Hoes and Drills

(Now made in Canada)

do all of the sowing, hoeing, cultivating, weeding, furrowing, ridging, etc., in any garden with better results, far less work and some real pleasure for the operator. 38 or more combinations at \$3.00 to \$15.00. Ask your dealer about them and write us for new booklet. "Gardening with Modern Tools" also copy of our paper "Iron Age Farm and Garden News"—both are free.
