DR. MCLAUGHLIN: Dear Sir,-I have to thank you very much for your Electric Belt. It has done me a large amount of good. This time last year I was not able to do any work on my large farm, now I am able to turn out and guide the men. I was so overcome with heart disease that. I could not walk. I am seventy four on the 28th of this month, and you know at my time of life you not walk. I am seventy-four on the 28th of this month, and you know at my time of life you cannot make me over again, but your Belt has worked a miracle on me. I had faith in your treatment from the first, and believed all you said to me about my case, and I assure you, sir, I will do my best to make known, with pen and tongue, the good quality of your electrical treatment. If you like you can make use of my name before the public. I am your obe-dient servant, JAMES JOHNSTON, J. P., Ottawa City Post Office.

What would you give to have your old vim back again? What would you not sa rifice to feel as you did a few years ago; to have the same snap and energy, the same gladsome, joyous, light-hearted spirit and the physical strength you used to have? You know you are not the same man, and you know you would like to be. You might as well be. It's easy. I am making men out of wrecks every day, and I can mak you as good a man as

you ever were with

My Electric Suspensory carries the current direct to the weak parts and cures all weakness of men, varicocele, etc. It develops all weak organs and checks unnatural drains. No case of Failing Vigor, Varicocele or Debility can resist the powerful Electric Suspensory. It never fails to cure. It

is free with Belts for weak men.

No man should be weak, no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer when there is at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves, from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can ge back, and you may be as happy as any man that lives. My Belt has a
