A reinforced concrete bridge is to be built by the municipal authorities of Regina.

A Worthington steam pump is being installed at the Point St. Charles station of the Montreal waterworks.

The holders of town of New Glasgow water debentures, falling due on or about September 1st, ensuing, who wish to continue their securities, may renew same with the re-issue of town bonds. James Roy is town clerk and treasurer.

The city council of Chatham has passed a by-law authorizing the signing and executing of the contract with the Colonial Engineering Company, of Montreal, for the installation of a complete new electric light station. The by-law was given its different readings and finally passed, and all that remains now is for the company to come and erect
