Fur-Lined Wraps.

In our Fur Salon we carry a comprehensive display of these very dressy garments. In the outer material there is a large selection of colors, ranging from the dainty light colors, suitable for operatic wear, to the dark shades, suitable for carriage or street wear, while the linings are of the best squirrel. Many different furs are used in ornamentation of collar and fronts.

Novelties in Fur Neckwear.

Our unique collection of Ruffs, Stoles and other fur novelties must appeal to every lady who appreciates comfort with daintiness. Our neckwear is all made of the best skins, with that extreme care which characterizes all our work, added to this the fact that our styles are those as worn in Paris and New York makes a combination impossible to duplicate at our price.

Our line of MEN'S and WOMEN'S RAINCOATS is very varied in style and material.

FOR YOUR CORRESPONDENCE

THE VERTICAL SYSTEM

of letter filing is the filing of the letters on edge, the correspondence of each firm being kept in a separate folder. These folders are kept in the file drawer, either numerically or behind a classified index, where they can be referred to instantly, letters and their answers placed in the same folder.
