

DOES A WASHING JUST LIKE PLAY!

Six Minutes to Wash a Tubful!

Ladies! Just see how easy I do a big washing with my 1900 Gravity Washer. I start the tub a-whirling. Then the gravity device under the tub begins to help and the rest is just like play. Washes a tubful in six minutes! How's that for quick and easy work? The 1900 Washer Co. won't ask for notes or cash in advance. And they let me pay for it a little each week out of the money I saved me! They treat everybody the same way.

On thirty days' trial, the same as I got mine. The company will let you pay for it on the same easy terms they offered me. The Washer will actually pay for itself in a very short time. Mine did! I wouldn't take \$100 cash for my 1900 Gravity Washer if I couldn't get another just like it. It does beautiful work—handles anything from heavy blankets to dainty laces. Every housewife who is tired of being a drudge and a slave to the washtub should write to

G. G. E. BACH, Manager
The 1900 Washer Co., 357 Yonge Street

Dear Friends:—I want to thank you all again very, very much for the many delightful letters, cents and dollars sent in to help our "Play Box Tea Parties." I really feel that I must count myself as very very fortunate indeed to have so many loving friends. It is indeed the greatest joy to me to read your ready sympathy and kindly messages in all my work. Many loving letters from my "Sunshine Chicks." I want the chicks to watch next week for the "special" message which will be sent from them from their loving and grateful friend

MARIE

"Marie" will be in attendance at the office of the Grain Growers' Guide on Tuesday and Thursday afternoons from 2 to 4:30 p.m., when I shall be happy to receive any visitor who is interested in our Guild and wishful to learn more about its "Sunshine Work," or any associate who desires to confer with me. An appointment is desirable when possible.

WANTS TO HELP

Dear Marie:—I am a little girl wishing to become a member of your club. I live two miles from Ashville, and go to school just across the road. I would like to help some of your little girls and boys. My papa is a great, great Grain Grower. I always read the Sunshine Guild, and I like it very much. Mamma has a share in the Grain Growers' Grain Company. Wishing your club all success.

LIZZIE FULLER.

Ashville, Man.

FOR THE POOR

Dear Marie:—I would like to become a member of your Guild. Would you please send me a membership card? I will send you seventy cents for the poor children. I enclose two cents for a membership card.

YOU

I heard the mocking-bird last night—
Its notes were sweet and true—
Its music filled the moonlit grove—
It sang to me of you.

I heard the south wind kiss the flowers
Bathed in the morning dew,
And flowers and dewdrop and perfume
All spoke to me of you.

And in the busy hours of day,
And all the long night through,
Each thing of beauty and of good
Reminds me, love, of you.

—Joe H. Eagle, in
the "Taylor Trotwood Magazine."

Cheer Up

A correspondent in Adrian lightens our burden somewhat by contributing the following:

Cheer up!
What if the day's cold
And you're feeling old
And blue.
And disgusted, too.
Take a brace,
Look trouble in the face
And smile.
Awake.
Nothing's gained by looking glum—
Keep mum.
Put your woes on the shelf,
Keep your troubles to yourself
And—CHEER UP!

GOOD CHEER FROM A PLUMAS SUNSHINER.

Dear Marie:—I would like to become a member of the Sunshine Club. I live two miles from the pretty little town of Plumas. We came here three years ago from the State of Iowa, and like the country very much.

I see in the last issue of THE GUIDE that many things are wanted for the sick one's such as magazines and books. I am sending you a parcel containing papers, pictures and Sunday school cards, and hope they will be of some use to amuse the sick ones.

I do not wish to make my first letter too long, so I will close with best wishes,
GERTRUDE L. DUNPHY.
Plumas, Man.

Dear Sunshine Juniors:—Don't forget the play box tea parties or fresh air outings for which hundreds and hundreds of cents are wanted.

The play box parties were the means of giving 4,800 little children an outing for one day last year in London, England, and I feel sure with all the loving little hearts in sympathy with this work we will be able to equal if not exceed this total this year here.

Golden Days

The day is best wherein we give a thought to others' sorrows, forgetting self we learn to live, and blessings born of kindly deeds make golden our tomorrow.

WANTED FOR SUNSHINE

Music roll for organ, sheets, table cloths, pillow cases, towels, stamps, stockings, clothing suitable for children in camps. Any little comforts, such as cushions, pillows, etc.

THE PHILOSOPHER.

Dear Marie:—Goats milk should be used in a dairy because it is richer. The sun is like a loaf because it's round—because the circumference is round. I am 9 years old.

EVERETT WILLIAMSON

Rosburn.

Electric Insect Exterminator

The only practical dry powder sprayer—no water required. With this sprayer, one pound of Paris green will cover an acre of potato plants. Our patented device regulates the quantity of powder and prevents waste. Machine works up, down and sideways, so every part of the plant is reached and every bug killed. Children can keep vegetables and flowers free of insects, without trouble, when you have the Electric Insect Exterminator.

Illustrated catalogue of Sprayers, Banders, Planters, Drills, Wagon Boxes, etc., sent free on application. The Eureka Planter Co., Limited, Woodstock, Ont.
