Synopsis of Canadian North-west Land Regulations

ANY person who is the sole head of a family, or any male over 18 years old may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within some miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$3.00 per acre.

Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent and cultivate fifty acres extra). A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price \$3.00 per acre.

Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$200.00.

W. W. CORY,
 Deputy of the Minister of the Interior.

Watching the Dollars Grow on Trees

is a delightful way to pass the time. Cleared, irrigated and planted Fruit Land in the Whatshan Valley, British Columbia, at \$150.00 per acre, is the remarkable bargain that we are offering for a short time. Only a few orchards will be sold at this price. The contract which we will make with you protects you in every way. We would like to have an opportunity of explaining the details to you. Your name on a postcard is all that we need. Readers of advertisements are commencing to appreciate that this is the

Apple Orchard Opportunity of a Lifetime

and we are making sales so rapidly that it is evident that we will shortly have to withdraw this offer. If you want to get in while it is not too late you had better act at once.

FACTORY LOADED SMOKELESS POWDER SHOTGUN SHELLS

Good shells in your gun mean a good bag in the field or a good score at the trap. Winchester "Leader" and "Repeater" Smokeless Powder Shells are good shells. Always sure-fire, always giving an even spread of shot and good penetration, their great superiority is testified to by sportsmen who use Winchester Factory Loaded Shells in preference to any other make.
