FREE TRADE HELPS MANUFACTURERS

WILLIAM ANDERSON, LIMITED, GLASGOW, (COTTON AND WOOL MANUFACTURER) — "We exploit the whole world for raw material and lay the whole world under tribute for food stuffs. We are absolutely free from the handicap of protection in any shape, form or fashion. Our machinery is laid down, our factory buildings erected, at a less cost than any other country. We never make anything we can buy cheaper. * * * * I see no other result of the restriction of free imports than loss and ruin, and I am not yet tired of carrying on a profitable business."
