VOL. XL.

July 23, 1919.

No. 29

HOW would you like to stand in this "push" and wait your turn at the Time Recorder? It would peeve you some, wouldn't it? You'd quit work a few minutes earlier to make up, wouldn't you? Put yourself in your employees' place. Also ask yourself who pays for the lost working time. And get this—it doesn't pay to overwork your Time Recorders. If you need two or more get 'em.
