### Letter From Westerner.

We received a very interesting letter this week from Mr. Joseph T. Schuett, of Trux, Sask., son of Mr. Martin Schuett, formerly a prominent resident of Carrick. He writes:—"This is a great country to make money in, and we like it fine. We have had a severe winter, with more snow than for the past three winters put together. But the people here are not suffering for food and fuel is plentiful, and there is lots of feed for the stock. We had a good crop last summer in this section of the country. The C. N. R. is laying the steel for their new road thru here, and we have to thank the railroad for increasing our land values \$20 per acre. I sold part of my land to the Company for a townsite, and the town will spring up as soon as the snow leaves. This is an excellent location for a good town, and people are coming from all quarters to help in the building up of the place. I still hold a good piece of land right in the town. Father and my brothers and myself have at present 1600 acres of land, besides some fruit lands in B. C. We have operated a threshing outfit for the past three seasons, using a 35 horse power engine, which also comes in handy for breaking prairie land, as it propels ten plows in this work. I had intended making a trip to Carrick this winter but was so busy in building and other work, that it was impossible to get away.

### BORN.

GRUB—In Greenock on February 21st, to Mr. and Mrs. Philip Grub, a son.

### A Big Night.

One of the biggest events held in Mildmay was pulled off on Tuesday evening last when a Shredded Wheat Banquet was given under the auspices of the Ladies Aid of the Presbyterian Church. The ladies had a big task on hand when they undertook to satisfy the craving of the inner man of a crowd numbering nearly four hundred, which they did very nicely and they are to be commended for the splendid evening they provided. By the way, who said the McIntosh people don't know where Mildmay is? Well, you should see them turn out. The banquet was all that could be desired from every standpoint. The Shredded Wheat Co. certainly did their part well, providing many tempting dishes. It has been said that Mildmay is not a good concert town, but that cannot be said after last Tuesday evening. All that is wanted is something good and the people will turn out. The programme presented was a good one. Miss Lulu Kreutziger of Ayton rendered two solos very acceptably. She possesses a sweet voice which she uses with taste. Mrs. H. G. Downey of Fordwich gave two recitations which were well received. The two duets, vocal and instrumental given by Mrs. I. Halpenny and Miss L. Kreutziger, and Miss Hilda Clapp and Miss Edith Kidd respectively were splendid. Mr. A. W. Weber in a violin solo with piano accompaniment by Miss A. Schneider brought forth a lively encore. Miss Hilda Clapp demonstrated beyond any doubt her ability as a Pianist. Her piano solo was excellently rendered, and her services as accompanist added greatly to the success of the evening. We regret that owing to a severe cold Mrs. S. C. Wilson of Brussels was unable to take part in the programme, but we shall look forward to hearing her in the near future. Just at the close of the meeting Mr. J. S. Milne moved, seconded by Dr. J. A. Wilson, that a hearty vote of thanks be tendered the Shredded Wheat Co., those who took part in the programme and Mr. J. F. Schuett who kindly loaned the piano for their services. A word of commendation should also be extended to the Township Council for the much needed improvements they have made in the hall.
