

FATAL ACCIDENT.—A fatal accident occurred on Saturday, the 1st instant, at Leavitt's Axe Factory, in this town. One of the workmen, of the name of Simpson, attempted to take hold of the strap that was running loose over the drum wheel, with the intention of hanging it on the hook. He was warned against the danger of so doing, but persisted in the attempt; when, unfortunately, the strap coiled around his arm, drew him over the wheel, and dashed him with tremendous violence upon the floor on the opposite side; he was then drawn under the wheel, and thrown against a board partition with such force as to knock down a considerable part of it. His arm was literally torn from its socket; the muscles and ligaments, and the large arteries, veins, and nerves situated at the shoulder joint, were mangled in the most frightful manner, and his head and other parts of the body dreadfully bruised. Mrs Hunter and Quick were on the spot in a few minutes after the occurrence of the accident, and rendered all the assistance in their power—but it was unavailing; he gradually relapsed into a state of stupor—from the serious injury done to the brain—and died within an hour.—Dundas Warder.

SUICIDE IN THE LUNATIC ASYLUM.—On Monday night, a female patient in the Asylum committed suicide, by tearing up the sheets of her bed, which she attached to her neck and the bed-post, and then strangled herself by falling on her knees. Whether any blame is to be attached to the officers, we have not learned.—Examiner.

Wm. Lyon McKenzie likens, Parliament and politicians, public offices and potentates, on the move, to the Israelites in the wilderness, but minus Moses!

"SOMETHING IN THE WIND."—The *Montreal Canadian* states that it has telegraphic information that Mr Lafontaine is seriously ill, and that Mr Drummond is off post haste to Toronto. It further insinuates that Mr Lafontaine, like "old Northumberland, lies craftily sick;" and that the real disease is the embarrassment attending the removal of the Seat of Government. It is rumored that Mr Lafontaine has given notice to Mr Justice Aylwin, his tenant, of his intention to resume his house in Montreal, and also that he means to quit the Ministry and make a visit of some duration to Europe. It is well known that he was strongly adverse to the removal of the Seat of Government from Montreal, and wished to bring it back. He saw through the absurdity and the cowardice of the thing, though Lord Elgin did not. The suspicion is that Mr Lafontaine, like the late Sir Robert Peel, wishes to let his party try how they can get on without him, and then, their incapacity being demonstrated, to come back with renewed power and influence.—*Montreal Transcript*.

A writer in the *Hamilton Gazette* says that the following applications will be made during the next Session of Parliament, viz.:

1.—For an Act to repeal the whole of the present school law, said law being oppressive and tyrannical, in the extreme as it puts the property of the industrious and wealthy completely under the control of the idle paupers of the country.

2.—To pass an act to authorize the Township Councils to receive and apply the proceeds, or money arising from the school-lands (granted by George 3rd) to common schools in each Township in U. Canada, according to the number of inhabitants in each school district, and that the said Township Councils be the only superintendents of common schools in their respective Townships.

3.—That the present multifarious assessment law with all its clashing absurdities, and all its inquisitorial parts be repealed and obliterated from the Statute Book, and from every other book, pamphlet, paper and record, lest it be copied and adopted by the sublime Porte, for the more ingenious and perfect oppression of his people.

The *Montreal Transcript*, speaking of Mr Morris' appointment as Postmaster General says:—Mr Wm Morris, when the Conservatives come in, can take the post, and Mr James return, when the wind sets the other way. By this arrangement the Post Office will be a snug family berth and the Public interests consulted by permanence in its management.

RICH.—The felons convicted in the Huntsville Penitentiary have held an indignation meeting on account of a negro having been sentenced to confinement there, which they regarded as a gross insult to the white convicts.

The Queen has conferred the honor of knighthood upon Alexander Bannerman, Esq., Lieutenant Governor of Prince Edward's Island.

DIED.—On the 25th of January, in Belgrave Square, London, Lady Shaw Stewart, aged 53. Lady Stewart was the mother-in-law of Col. Bruce, brother of the Earl of Elgin.

GUELPH MARKET, March 11.—No alteration from last week's prices.

PUBLIC NOTICE.

THE Subscriber intimates to his friends and customers, that as he has hitherto lost a great deal of time in hunting up his debtors,—many of whom do not pay, not from the want of MEANS so much as from the want of a WILL,—he intends to alter the system; and he has therefore to inform all those whose accounts are overdue, that if settlements are not immediately effected, such accounts will very soon be put in suit. In the meantime, as regards credit—except in the case of customers who have the will, as well as the means, to pay their debts in proper time—Jack has gone into his shell.

DO NOT NEGLECT IT.

CONSUMPTION can be and has been cured in thousands of cases by this only certain remedy, JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT. And no remedy has ever before been discovered that will certainly

CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and lacerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.
Caution—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New York; on the splendid Wrapper around the bottle.

OF INTEREST TO ALL.

To the Old and Young!—Ho! Ye Red Heads and Grey!!!—Phenomenon in Chemistry!!!!

EAST INDIA HAIR DYE,

COLORS THE HAIR, AND WILL NOT THE SKIN. This dye may be applied to the hair over night, the frey night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble, keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin, will not color it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no coloring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. Comstock, author of *Comstock's Chemistry, Philosophy, and other works*, and School Books, well known and widely celebrated by the public.

Dr. Spohn's Sick Headache Remedy.

Why will you suffer with that distressing complaint, when a remedy is at hand that will not fail to cure you? This remedy will effectually destroy any attack of headache, either nervous or bilious. It has cured cases of 20 years standing.

TO THE LADIES.

The Genuine Balm of Columbia for Restoring the Hair.

"Long hair is a glory to woman," says Paul. And all feel the truth of the pious quotation; Preserve it then, ladies, your glory may fall. Unless you protect it with this preparation.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this Balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes are filled, by which means thousands (whose hair was as gray as the Aetnaic eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever, it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other medicinal hair restoratives, and is more effective.

Caution—Never buy it unless you find the name of Comstock & Co., proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

FOR FEMALE AND MALE.

Dr. Larzette's Juno Cordial, or Procreative Elixir.

Nature's Great Restorative and remedy for those in the married state without offspring. Also, a certain remedy for Incipient Consumption, Indigestion, loss of Muscular Energy, &c.

Caution—This celebrated medicine cannot be genuine unless the fac simile signature of Judson & Co. (N. B. the only American agents) is on the wrapper of each bottle.

Comstock's Stove and Grate Varnish.

Pronounced by thousands who have used it, to be the best article ever known for polishing Stoves, Grates, and every description of Iron work. It prevents rust, gives a jet black polish like that of a coach body, which stands on Iron, &c. for years.

To Owners of and Dealers in Horses.

Carlton's Founder Ointment,

For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Cuts, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scatches, &c., on Horses.

Carlton's Ring-Bone Cure,

For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

This Ring-Bone Cure and the Founder Ointment are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety nine cases out of one hundred any of the above complaints. They have been used by Farmers, Livemen, Stage Proprietors, and others, with the most marked and decided success.

Have you a Cough? Do not Neglect it.

Thousands have met a premature death from want of attention to a common Cold. The Rev. B. BARTHOLOMEWS

Expectorant Pink Syrup

Will most positively give relief, and save you from the most awful disease Pulmonary Consumption, which annually sweeps into the grave thousands of the young, the old, the lovely and the gay.

CAUTION.

All the above articles are sold by A. & N. HIGGINBOTHAM, and F. W. STONE, Guelph; ELLIOTT & THORNTON, Dundas; HAMILTON & KNEESHAW, Hamilton, and by one Agent in every Town in Canada. Also, by COMSTOCK & BROTHER, 9, John Street, New York. Call at the above places, and ask for COMSTOCK'S ALMANAC, which will be given gratis.
