The McGillicud- met the premier in New York on Friday and accompanied him home Although a number of ministers are away, the cabinet council will meet frequently from now on to deal with ergent public business.

> Rosthern Sask., Nov. 27.-Edward Tadei, who was committed for trial n the charge of having killed W. F Ames, returned yesterday from Prince Albert, having been allowed out on bail of \$4000. Salfrey, the missing burglar, has not been captured. The police in all the towns and cities in the neighborhood were sent a description of the missing man the day of the tragedy. It has been learned by the Rosthern police that Ames and Salfrey were in Prince Albert, Saskatoon and Warman before coming to Rosthern. At Warman Salfrey's overcoat was stolen from him, but with the aid of Const. Barber, R.N.W.M.P., he recovered it.

Ottawa, Nov. 29.-Major General Sir Percy Lake will not go to India as quartermaster of Indian forces as idicated in cable despatches on Saturday. This is the announcement of an order issued by the war office some time ago which has just reached the public through the official hannel. At the request of the Canadian government, Sir Percy Lake decided not to accept the post in India but to remain in Canada to complete the important work of military extension which he commenced some years ago. It is understood that Sir Percy will be given a larger salary and powers. He will probably be given the title of military adviser of the government.

Rome, Nov. 29.—The Pope has abdoned the idea of holding a consistory in December. This decision was eached partly because of the difficulty in choosing new French cardinals and partly because the pontiff desires he termination of the discussion of the educational bill in England beore he creates a British cardinal. In
