made, principally in order to conform with the altered form of ballot agreed

Before the committee arose to vote upon the bill Governor Ross made a few remarks apropos of the steps about to be taken. He said in part :

"Before the committee arises to report I desire to say a word or two respecting the financial position which the town of Dawson will be in if ining and Passed by the Council corporation takes place. I would say that the custom has always been to provide for the finances of the territory, including Dawson, from the 1st The incorporation of the city of of July of one year to the 30th of Dawson is complete as far as the June of the year following. At the labors of the Yukon council are con-time these revenues derived from tercerned, and it now rests with the ritorial sources were turned into the citizens of the city to say by what treasury consideration was given manner of means they shall be gov- from whence the funds had come and erned, whether by an elective mayor provisions were made for their ex-
