W. C. T. U. ANNUAL.
AN INTERESTING REPORT OF THE
PAST YEAR'S WORK.
(From Wednesday's Mail)
The annual public meeting of the Woman's Christian Temperance Union was held last evening in St. Paul's Parish Hall, and was an interesting one. The reports presented showed the variety and extent of the work done by the organization, and the addresses given were forcible and testified to hearty appreciation of the Union on the part of the speakers.

THE SECRETARY'S REPORT.
During the year we have been watching for opportunities of doing good; securing reform in morals, removal of vicious advertising, using influence to support the anti-cigarette bill which came before parliament, etc.
In the early part of the year it became known to us that an objectionable advertisement was being mailed to many of the young men by a liquor agency in the city. The mayor and chief of police were advised of this, and they assured us that they would do all in their power to suppress the evil.
At the time the Bickerdyke bill came before parliament five hundred copies of a circular letter were placed by our Union in the hands of voters asking them to sign and forward them to our representatives in parliament. In these letters was expressed approval or disapproval according as the member has either supported or opposed the bill. We had the satisfaction of knowing that the majority of these documents reached their destination and had the desired effect.

TOO LITTLE BLOOD.
IS THE CAUSE OF MOST MISERY IN EVERYDAY LIFE—IMPROVE THE BLOOD AND DISEASE WILL NOT EXIST.
Among the many thousands who testify to the value of Dr. Williams' Pink Pills as a blood and nerve tonic, Miss Mary Jackson, Normandale, Ont., who says: "I have used Dr. Williams' Pink Pills and have derived such great benefit from them that I consider it my duty to let others know their worth. For upwards of three years I suffered from anaemia, and grew so weak that I could scarcely walk about the house. I had no color in my face, my lips and gums were bloodless. I lost all ambition, suffered from headaches and dizziness, and fell away in weight till I weighed only ninety-four pounds. I doctored a great deal, but it did not seem to do me any good. I was then advised to try Dr. Williams' Pink Pills and before I had taken them ten days I felt better and my people could see a change in me. I continued using the pills for some weeks and am now in the very best health. Every depressing symptom has passed away and I have gained fourteen pounds in weight. I think there is no medicine can equal Dr. Williams' Pink Pills for all weak and ailing girls. I strongly recommend them to all weak and ailing girls. Miss Jackson's experience should bring hope to all the weak, ailing girls and women. What those pills have done for her they will do for others. Every dose adds tone and vigor to the blood and nerves, brings a glow of health to sallow cheeks, a sparkle to the eyes and a ruby redness to pallid lips. No other medicine has done so much to bring comfort and health to weak girls and women. If you are ailing give the pills a fair trial and new health and strength will be yours. Do not accept any pink colored substitute; the genuine pills always have the full name 'Dr. Williams' Pink Pills for Pale People' printed on the wrapper around every box. Sold by medicine dealers everywhere, or by mail at 50 cents a box or six boxes for \$2.50 by writing Dr. Williams Medicine Co., Brockville, Ont.

A Wise Condition.
Mr. Adrian Irwin, of New York, has recently presented the city of New Rochelle for a very beautiful park. Neptune Park, for so it is to be called, is a royal gift, for the land alone is not worth less than one hundred thousand dollars, and Mr. Irwin has spent fifteen thousand in improving it in the last three years. Only one condition is coupled with the gift of this splendid pleasure ground to the town, that at no time shall any intoxicating drink be sold within its limits. Why should such a condition be made? Because modern thought is turning more and more to the temperance side. A city pleasure ground should offer only wise and refreshing pleasures to the community. Drink degrades every spot it inhabits. To spend fifteen thousand dollars in improving a spot of ground, of large original value, and then let this be offset by the selling of drink would be a foolish investment of money. Mr. Irwin, as a business man knows, better than that this one condition that liquor selling be kept out seems to him the only necessary stipulation required. Nothing else could so ruin the park; nothing else so vital to guard against as that degradation thus possible.

Better Wages for Abstainers.
Some time ago Mr. Andrew Carnegie, the great millionaire, added ten percent to the wages of the employees on his Scottish estate on condition that they become total abstainers. Speaking of his remarkable offer Mr. Carnegie said: "I do not want men not required to be total abstainers but all who are can obtain from me a gift equal to ten percent of their wages, with my best wishes upon stating that they have abstained for a year. I consider total abstainers worth ten percent more than others, especially if coachmen, yachtmen, or men in charge of machinery. Indeed I prefer them for all situations. In view of Mr. Carnegie's great experience in the industrial world, this opinion is of inestimable value."

Paralysis and Locomotor Ataxia
Cured by Dr. Chase's Nerve Food
Mrs. JAMES L. DEAN, Bridgeport, N. S., writes: "About a year ago I suffered a stroke of paralysis, which left me in a very bad state of health. To add to my trouble, I became unable to hold my food, which completely exhausted my nervous system. I could scarcely walk or talk, my legs and arms were entirely paralyzed, my blood did not circulate properly, and I could not do any work. In fact, I was so weak that the doctor gave me up and thought I could not live through the summer.
"I began the use of Dr. Chase's Nerve Food, and persevered in the treatment, until now I am at work again. The change in my condition has been most remarkable. It is a surprise to everyone to know that I am able to be around again. My nervous system has been built up wonderfully by this remedy. I am able to rest well, my circulation is normal, and my general health is good. My appetite has been restored, and I have gained considerably in flesh."
"To protect your investment in the postal and signature receipt book, send it to the address on the receipt book, or to any box."
GLEANED BY THE WAY.
Sergeant—What did you arrest this man for?
Officer Keegan—For his own safety, sergeant. He was too drunk to protect himself, and insisted on going home.
"Now," said his mother, "you've got a stomach ache just because you stole into the pantry and ate all that mince pie."
"Yes," groaned the boy, "but it was worth it."
Muddy Complexion.
"Pete allow, yellow skin tells of a torpid sluggish liver and impurities in the blood which will be entirely removed by Dr. Chase's Kidney-Liver Pills. This great medicine awakens the action of the liver, invigorates the kidneys and regulates the bowels. As a result, the complexion is purified, the blood is pure and the health is healthier in every way."
"What do you think now, Bobby?" remarked the mother as she boxed his ears. "I don't think," replied the boy. "My train of thought has been delayed by a hotbox!"
"She—What is that big iron thing full of holes?"
"He—That's a locomotive boiler."
"She—But why do they have to boil locomotives?"
"He—Oh, to make them tender, I suppose."
Health and Success.
Weakness and disease, consequent on overwork, failure and unsuccess, but with the use of Dr. Chase's Nerve Food there comes new vigor and energy, new hope and new confidence, stronger memory, more power to succeed and ability to apply one's self mentally and physically. Health and success go hand in hand. By restoring good health, the cause of these troubles is removed, and success and happiness.
"Are you training your daughter in household arts?"
"No, What's the use? Just as soon as I got one of them trained some man would come along and marry her. And the men are having it too easy these days, anyway."
Mrs. Nabbins—My husband is a perfect brute.
Friend—You amaze me.
Mrs. Nabbins—Since the baby began teething nothing would quiet the little angel but pulling his papa's beard, and yesterday he went and had his beard shaved off.
Dr. Clark's Little Red Pills are a positive and certain cure for rheumatism, asthma, paralysis, coughs, lame back, indigestion, all stomach and liver troubles, female complaints, even when the disease has been at hand for many years; the most stubborn cases will yield. For sale by G. V. Starr, G. B. Parker, or sent direct by mail, by addressing Dr. Clark's Medical Co., Peterborough, Ont.; 60 cents per box, or 5 boxes for \$3.00.
Dr. Clark's Sure Cure For Catarrh and Dr. Clark's Sure Cure For Rheumatism same price. \$1.00 will be paid on any case that it will not permanently cure.
Mrs. Robert J. Burdette thinks that the devotion of women to clubs is responsible for many divorces. Upon the subject of extravagance she spoke as follows: "In this day and age men are money mad. Why? Do you know that last year hundreds of millions of dollars were spent for jewelry? Do men wear it? During the year we men were put behind the bars for embezzling large sums. Did they want the money just for itself? They wanted it to help their wives and daughters shine. We are responsible for these things. We want too much."
The scratch of a pin may cause the loss of a limb or even death when blood poisoning results from the injury. A danger of this may be avoided, however, by promptly applying Chamberlain's Pain Balm. It is an antiseptic and unequalled as a quick healing liniment for cuts, bruises and burns. For sale by G. V. Starr, G. B. Parker, or sent direct by mail, by addressing Dr. Clark's Medical Co., Peterborough, Ont.

Paralysis and Locomotor Ataxia
Cured by Dr. Chase's Nerve Food
Mrs. JAMES L. DEAN, Bridgeport, N. S., writes: "About a year ago I suffered a stroke of paralysis, which left me in a very bad state of health. To add to my trouble, I became unable to hold my food, which completely exhausted my nervous system. I could scarcely walk or talk, my legs and arms were entirely paralyzed, my blood did not circulate properly, and I could not do any work. In fact, I was so weak that the doctor gave me up and thought I could not live through the summer.
"I began the use of Dr. Chase's Nerve Food, and persevered in the treatment, until now I am at work again. The change in my condition has been most remarkable. It is a surprise to everyone to know that I am able to be around again. My nervous system has been built up wonderfully by this remedy. I am able to rest well, my circulation is normal, and my general health is good. My appetite has been restored, and I have gained considerably in flesh."
"To protect your investment in the postal and signature receipt book, send it to the address on the receipt book, or to any box."
GLEANED BY THE WAY.
Sergeant—What did you arrest this man for?
Officer Keegan—For his own safety, sergeant. He was too drunk to protect himself, and insisted on going home.
"Now," said his mother, "you've got a stomach ache just because you stole into the pantry and ate all that mince pie."
"Yes," groaned the boy, "but it was worth it."
Muddy Complexion.
"Pete allow, yellow skin tells of a torpid sluggish liver and impurities in the blood which will be entirely removed by Dr. Chase's Kidney-Liver Pills. This great medicine awakens the action of the liver, invigorates the kidneys and regulates the bowels. As a result, the complexion is purified, the blood is pure and the health is healthier in every way."
"What do you think now, Bobby?" remarked the mother as she boxed his ears. "I don't think," replied the boy. "My train of thought has been delayed by a hotbox!"
"She—What is that big iron thing full of holes?"
"He—That's a locomotive boiler."
"She—But why do they have to boil locomotives?"
"He—Oh, to make them tender, I suppose."
Health and Success.
Weakness and disease, consequent on overwork, failure and unsuccess, but with the use of Dr. Chase's Nerve Food there comes new vigor and energy, new hope and new confidence, stronger memory, more power to succeed and ability to apply one's self mentally and physically. Health and success go hand in hand. By restoring good health, the cause of these troubles is removed, and success and happiness.
"Are you training your daughter in household arts?"
"No, What's the use? Just as soon as I got one of them trained some man would come along and marry her. And the men are having it too easy these days, anyway."
Mrs. Nabbins—My husband is a perfect brute.
Friend—You amaze me.
Mrs. Nabbins—Since the baby began teething nothing would quiet the little angel but pulling his papa's beard, and yesterday he went and had his beard shaved off.

Mrs. Robert J. Burdette thinks that the devotion of women to clubs is responsible for many divorces. Upon the subject of extravagance she spoke as follows: "In this day and age men are money mad. Why? Do you know that last year hundreds of millions of dollars were spent for jewelry? Do men wear it? During the year we men were put behind the bars for embezzling large sums. Did they want the money just for itself? They wanted it to help their wives and daughters shine. We are responsible
