

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-LIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.
"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of 'Sootho-Salva' and two boxes of 'Fruit-a-lives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootho-Salva' and 'Fruit-a-lives'."

'Fruit-a-lives' cooled the blood and removed the cause of the disease, and 'Sootho-Salva' completed the cure."

Dame PETER LAMARRE (81s).

FLORENCEVILLE FACTS

Mrs. Beecher McCain, who has been spending a few days visiting friends in Presque Isle has returned home.

On Tuesday evening the Women's Institute held a most successful meeting in the Assembly Hall of the Florenceville school. This was gentlemen's night and a large number of ladies and gentlemen were present. A program of music, singing and readings was given ending with a debate "Resolved that Environment is stronger than Heredity." Those taking part in the debate were: Mesdames Herb Kilpatrick, Scott McCain and Roy McCain for the affirmative and Mesdames W. H. Fowler, Claude McCain and Geo. Gray for the negative. The judges were Messrs Mowatt, Nevers and Kilpatrick. The decision was given for the affirmative. Refreshments were served and the singing of the national anthem concluded a most enjoyable evening.

Heddy Jewett attended a meeting of

LETTER FROM MRS. WAKELIN

Tells Remarkable Story of Sickness and Recovery.

Toronto, Ont.—"I suffered greatly from weakness, seemed to be tired all the time, and had no ambition to do anything or go any place. My nerves were in bad shape. I could not sleep at night, and then came a breakdown. I read of Lydia E. Pinkham's Vegetable Compound in the newspapers and several of my friends advised me to use it, and it surely put new life into me. Now I am quite able to do all my own work, and I would strongly advise every suffering woman to give Lydia E. Pinkham's Vegetable Compound a trial."—Mrs. CHARLES WAKELIN, 272 Christie St., Toronto, Ont.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for more than forty years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

"You Are Working Too Hard, John"

"WELL, I cannot help that. I am trying to figure out how the business is going to pull through and meet the liabilities with prices falling the way they have been lately."

"But, John, if anything happens to the business your health will be more necessary to you than ever, and you cannot afford to take chances of putting such a strain on your nerves. You are looking so worried and nervous, and you do not half sleep."

"What am I to do? You know I have got to keep plugging along and try to see things through."

"One thing you can do is to begin a treatment of Dr. Chase's Nerve Food. You know how well that brought

me around when my nerves gave out and I was so miserable."

Mr. Charles E. How, R. R. No. 5, Aymer, Ont., writes:

"My system became generally run down, and I suffered from dull, heavy headaches. I was nervous, could not sleep at night, and my muscles used to twitch. My appetite became poor. I had indigestion and weak spells. I consulted a doctor, who gave me a tonic, but it did no good. I used other remedies, too, before finally trying Dr. Chase's Nerve Food. I found that this did me more good than anything I had ever taken."
