The Circus Fire. The Vienna conspondent of the London Chronicle gives the following account of the circus fire at Berditsheff: London Chronicle gives the following account of the circus fire at Berditsheff:

—"The performance had reached the fifth item in the programme, some clowns being in the ring, when another clown in acting costume rushed in shouting "Fire!" At first the people thong it tris was part of the performance and laughed; but immediately afterward the ringmaster rushed in and gave the alarm. The scene of horror that ensued was indiscribable. The audience was so closely packed that motion was almost impossible. Some in despair flung themselves from the galleries, and parents unable to save themselves made a desperate attempt to save the subtraction of the canadian side, in the following at the state all the "improve ments will be removed, trees will be managed with a view not to artificial ornsmentation, but to the restoration, so far as possible, of the natural situation before, enterprise" ruined the landscape. The execution of this plan will save Ningara Falls, so far as the New York side is concerned, and it is money. The finder will be suitably resulting measures to preserve the natural situation before, enterprise" ruined the landscape. The execution of this plan will save Ningara Falls, so far as the New York side is concerned, and it is money. The finder will be suitably resulting measures to preserve the natural situation before, enterprise" ruined the landscape. The execution of this plan before, enterprise years of the part of the restoration, so far as the natural situation before, enterprise years as the scape. The execution of this plan before, enterprise years as the scape. The lowest or any Tender not necessarily for the restoration, so far as the natural situation before, enterprise years as the plan before, enterprise years as the scape. The lowest or any Tender not necessarily for t made a desperate attempt to save their children by throwing them down into the ring. Some of the men, wearing the long coats of the Russian Jews, were entangled on spikes and remained hanging in the air, while the whole building resonnded in heart rending cries. In the ring, where the clowns had been performing, there was a carpet, and for a little while the correct the control of the correct that the correct the correct that the correct the correct that the correct was a carpet, and for a little while the children were safe in the centre of this; but when the grown up people in their despair began jumping from the dress circle and galleries the whole ring became one inextricable mass, in which the children were trampled to deather sufficiated before the flames respect them. But even the flames reached them. But even the Dominion by the New York route. this was not the worst. The horses Although the population of the United soon became unmanageable and about a dozen of them, driven mad with pain and terror, broke into the ring, trampling to death the people huddled together there. All this occurred in less time than it takes to describe the transport of the transp and in twenty minutes all was over # 31 per cent, in excess of the number at least half the people who had been in 1881, against an increase of 65 per in the building being burned to death certain the case of Canada. or suffocated. bringing with him sample boxes of the cartridges manufactured at the Government works in Quebec, for claims, are superior to the English or total abstinence. American manufacture. The capacity of the factory is four million per annum, but it is not in full blast yet. Though the machinery was built for Snider sizes only, it is so arranged that, with the expenditure of not more than \$1 000, it can be altered to Martini-Henri size. This was con sidered advisable in the event of the Martini-Henri replacing the Snider.

The Post Office Department has just issued a new Postal Guide. It is well arranged and contains some very interesting matter, among other things the new changes in the Northwest regulations, a list of all the Post Offices and Postmasters in Canada, as well as a list of Senators, Common-

ers and executive officers. This being the birthday of the Hon. Mr. Costigan, Minister of Inland Revenue, the following joint congratulatory telegram was forwarded to him at Montreal, whence he had gone to attend the nuptials of his daughter. It was signed by all the employes without exception:—"The undersigned officers of your Department wish you many happy returns of the day, and a future of happiness to your

#### daughter.-Gazette. Disastrous Snow Slide

DENVER. Jan. 31.-Last night one of the most disastrons snowslides ever known in the Rocky M untain regions occurred near Crested Butte. Thirty men employed in the Howard Smith coal mine were startled from sleep by a rumbling noise and almost instantly an avalanche was upon them. The building in which they were sleeping was crushed to atoms and the oc-A rescuing party started from Crested Butte as soon as the news was received and after several hours labor the men were uncovered; 7 were dead, 18 fatally wounded. All the company's expensive machinery was destroyed. A passenger frain yesterday, when within six miles of Crested Bluff, divided. The engine going ahead to clear the traction when four miles from the coaches the engine was struck by a snowslide, ditched and is under 20 feet of snow. A wrecking engine this morning could not get nearer than two miles of the coaches and returned to-night for provisions for the starving

SCROFULA

and all scrofulous diseases, Sores, Erysipe

las, Eczema, Blotches, Ringworm, Tu-

mors, Carbuncles, Boils, and Eruptions

of the Skin, are the direct result of an

impure state of the blood.

To cure these diseases the blood must be

purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has

for over forty years been recognized by emi-nent medical authorities as the most pow-

erful blood purifier in existence. It frees

the system from all foul humors, enriches

and strengthens the blood, removes all traces

of mercurial treatment, and proves itself a

A Recent Cure of Scrofulous Sores.

A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, Mrs. Ann O'Brian."

148 Sullivan St., New York, June 24, 1882.

TF All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald . W. BALL, of Rochester, N.H., writes, June

7, 1882:
 "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."
