monial Stakes and Why some do not.

And now I must give way to the silly whims of the editor of the Union Advocate and attempt to diffuse a little "hot air"—to use journalistic parlance—for the amusement of his women readers. Yes, I assure you, it will be "hot air"—nothing more.

To begin with—I like to see amiable women. I km.w a woman who is amiable twice a month, but that is because her husband is only paid fortnightly. Otherwise, she might be amiable once a week.

Rustler Comes From Red Bank on Wednesday Without a Rudder

WHAT THE DAY SHOULD BE PASSENGERS MAN SWEEPS

Steamer are to be Severely

Dealt With. With a crowd of passengers aboard and

eight skiffs a tow, the steamer Rustler came from Red Bank last Wednesday evening I know it is a somewhat risky thing to without a rudder. The trip savored riticize and come into conflict with the somewhat of old time Mississippi River Fourth Estate." But there are two or navigation and the passengers really enjoyed

The Rustler left here early Wednesday I know of no clergyman who seeks to morning with a heavy load of freight and prevent any man or number of men taking passengers. She arrived at the lower bar, a strell into the country on a Sunday to four miles below Red Bank at 5 p. m. and What with dancers, theares and lectures Newcastle has been quite gay of late. And when the five days did come after all the tain were'nt they hugely appreciated? We are creatures of the Sun, we men and women and come to our best of conducting a Sunday excursion. With some time much to the disappointment of we men and women and core to our description only in his smiles. But this is enough to agraph of conducting a Suuday excursion. With some time much to the mass of the agraph of the cation of the cation of the cation of the passengers. An hour or two afterwards for anyone who flies in the face of old of Chatham in running open bars on the lower, the tug David R. came along and of Chatham in running open bars on the lowest the unfortunate Rustler to Red for conducting a Sunday excursion. With some time much to the disappointment of & Sabbath, while at the same time the towed the unfortunate Rustler to Red Judging from appearances June weddings will be absolutely a drug in the market and there is to be a tremendous rush of these affairs in Now Brunswick. Quite the proper thing to do now is for each bridesmaid to give a dinner for the for the prospective tride and bridegroom and for each usher to do likewise. It can readily be seen that with weddings calling for a half dozen bridesmaids and ushers there is an ple opportunity for the couples. Advocate defends the breaking of the law by the M. S. N. 2c. One is just as culpable to do it, Newcastle. Son ething had to be done, however, so it was decided to put on two large sweeps, Manned by passengers and crew the Ru-tler made the return trip in for a half dozen bridesmaids and ushers there is an ple opportunity for the couples.

today as when it was first given. But there on board the Russler and Capt Russell is what we may look upon as the enla ged should take drastic measures to put a stop Commandment-"If thou turn away thy to it, Men under the influence of liquor foot from the Sabbath, from doing thy please to it. Men under the influence of liquor ure on my holy day; and call the Sab ath a delight, the holy of the Lord; honor blee this sert of rowdism is very severe and and shall honor Him, not doing thine or a ways, nor fifting thine own pleasure, and the passengers and the quicker the better for the speaking the nellow words, then first the safety of both passengers and crew.

Apout chocolates. The demand the vocas of the Creater to put them in commands and problittions of tool a little for this line of confectionery stead- the place of the one object of worship. It isksome and would turn the Divise law to ily increases, which proves they is to make the object God. "Thou shalt suit their own life and conduct rather than are high class goods.—G. Bs and have none other God's but Me," To kring their lives and conduct into conform-
