HOLLOWAY'S OINTMENT. A CHIFFEL SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING. Copy of a Letter from Mr. Thompson, Charlotetown, dated August 20, 1852. To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills which has occasioned every person acquainted with the sufferer, "Alfred" 47 years of age, to be thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of a hospital, where he remained for several months, but a signifier running round his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now cured the wound, strengthened his limbs, and enabled him to dispose with his crutches, so that he can walk with the greatest ease, and with renewed health and vigor. (Signed) J. THOMPSON.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBRIDEMENT, AND GENERAL ILL HEALTH. Copy of a Letter from Mr. Hird, Draper, of Keegan's near "Georgetown", dated March 1st, 1853. To Professor HOLLOWAY.

DEAR SIR—I am authorized by Mrs. Gibson, of St. John's, to inform you that she has been a sufferer from debility, and general ill health, accompanied by a disordered stomach, and great derangement of the system. In addition to this, she was terribly afflicted with ulcerated sores, and a running sore on her leg, so that she was totally unable to do any work. In this distressing condition she adopted the use of your Pills and Ointment, and the state that in a wonderful short time, they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now able to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicine. I remain dear Sir, your faithfully, (Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUIC HUMOURS. AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG. Copy of a Letter from Mrs. Walker and Co., Charlotetown, dated June 1st, 1853. To Professor HOLLOWAY.

DEAR SIR—Among the numerous cures effected by the use of your valuable medicine in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds on her legs for many years, and history they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of his friends, she was enabled to preserve in their use, until she received a perfect cure. We have ourselves been frequently cured at the effect upon an old person, being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful cure, either personally or by letter. I remain dear Sir, your faithfully, (Signed) WALKER & Co.
