Harlock. FARM SOLD.—John Mason has sold his farm containing 50 acres to his neighbor Mr. Gagan for about \$5,000. Mr. Mason intends buying a larger farm in this vicinity. Mr. Sillierup, farmer and blacksmith, has sold his farm and shop to Solomon Rogerson for the sum of \$1,800. It will be remembered this same farm was bought a few years ago for \$2,000 which does not say much for advance in price of farms. Mr. Sillierup intends going to Dakota in the spring. There will soon be a whole settlement of people from Harlock in Dakota.

Manitoba. PRESENTATION.—Last Friday evening Mr. Oliver's house seemed in a fair way to be taken by storm. The besiegers were no less personages than a company of friends in attendance at the P. M. Church at Ebenezer who formed and marched to the residence of Mr. Oliver. After the usual greetings were over, a presentation of Miss Olive took place. Alfred Kellington read an address and Miss Maria Jewitt presented a butter cooler, cruet stand and tea tray, valued at \$22. Notwithstanding the complete surprise Miss Olive expressed her gratitude in a brief and able manner. The evening was spent very pleasantly by all present.

Porter's Mill. PERSONAL.—Mr. Hill, our esteemed postmaster and merchant of this village, has had occasion, owing to the increase of business, to secure the services of Mr. Wm. Cox, formerly an employee in the service of Mr. George Shephard, bookseller, of Goderich. FOR DAKOTA.—Many inhabitants of this village and adjoining country have caught the disease peculiar to this season of the year—the Dakota fever.—Messrs. Thomas and James Elliott started last week with two car loads of splendid heavy horses. Mr. George Frazier of the Cut Line, has sold his farm to Mr. James Elliott, and intends embarking for the land of superior acquisitions as soon as the roads in that country admit of a speedy immigration.

Stanley. Colt SOLD.—Mr. Duncan McEwan, of the 2nd con., has sold to a party from Hlyth, a one year old draught filly for \$130. A pretty good figure. FOR MANITOBA.—Daniel Aikenhead, son of Mr. J. Aikenhead, of London Road, left on the 9th inst. for Manitoba, where two of his brothers now live. PRECENTOR.—Mr. William McQueen of the 2nd con. has been appointed Precentor in Union Presbyterian Church, Brucefield, at a salary of \$75. SAD ACCIDENT.—On Saturday last, a child of Mr. John Armstrong's fell into a pail of hot water, which his mother had prepared for scrubbing the floor, and was so severely scalded that it died of its injuries during the night. BUILDING.—Mr. Finlay McEwan, of the 3rd con., is busy hauling material for the erection of a new house. It is to be a story and a half, frame house with kitchen attached and will be a handsome building when completed. PERSONAL.—Mr. Wm. Smith, of Portage la Proulx, Man., who was over here on a visit for the last month, left Brucefield last month, left Brucefield last week for his prairie home. He had with him fifteen horses, thirteen of which were his own, and which he purposes to dis-

Hugh Grant of the same place is also visiting his friends in Tuckersmith and elsewhere. Both gentlemen have been very successful in their adopted province. An Old Straggler GONE.—It becomes our painful duty to record the death of Mr. John Pollock, one of the first settlers of this township, which occurred at his residence on Monday, 31st January. Deceased was born in Ireland in 1811, and came to Canada when only 21 years of age. He resided in Lower Canada, but being anxious to seek a fortune in the "far west," as it was then called, he removed to this township in 1841, and died on lot 20, con. 10, where he resided. Of those who settled here at the same time very few are left. This place being a wilderness, he endured a great many hardships; his nearest market being Goderich, a distance of 20 miles, which he had to walk, there being no other way of going. Being persevering and industrious he prospered, and after a few years purchased lot 17, con. 9, Babylon, and afterwards lot 17, L. R. E., which his two sons, David and John now occupy.

Lucknow. FARM BOUGHT.—The farm of James Mullin, of Belfast, consisting of 150 acres was sold for debt, by public auction, at Whiteley's Hotel, on Tuesday, by John Treleaven, Auctioneer. Messrs. Cameron and Campbell, our enterprising Banking firm, were the purchasers, at \$5,500. SURGICAL OPERATION.—On Tuesday, 8th inst., Dr. Gillies, of Teeswater, and Dr. Stewart, of Brucefield, assisted by Drs. Hunter, of Brucefield, McCreimann and McDonald, of Wingham, successfully removed an ovarian tumor from Mrs. Gaetz, of Teeswater. The tumor was an enormous one, weighing between 50 and 60 pounds. The patient is now able to sit up, and is in a fair way of recovery.

New Church.—A split has recently taken place among our Presbyterian friends, under the pastorate of Rev. J. Cameron. The two congregations in the village, or Lucknow Church, and the Concession or South Kinloss Church—have separated, owing to the wish of the former to have all the preaching in the village, which was resented by the latter, hence the split. At a meeting of the members of the South Kinloss Church, held at Grey Ox on Monday evening, the 11th inst., it was decided that steps be taken to build a new church, and a subscription amounting to \$910 was taken up, with a promise of \$500 more. Managing and Building Committees were appointed to take steps immediately to secure a site, and receive offers for building. This matter has been referred to the church, which it is intended to make a handsome edifice, which will be built at Grey Ox village. This will make a splendid site for a church. As soon as it is erected the pastor will be engaged, and negotiations are already going on in regard to the procuring of a manse.

FOR DAKOTA.—Judging from village talk one would almost suppose that Lucknow was going to move out to Dakota en masse in the Spring. If all go who declare their intention so to do, our village will receive such a thinning out as it has never yet seen. A little thinning out is good sometimes, but we fear not in this case, for it is not the "seeds" that are going, but the "choicest plants," old and prominent citizens, and steady industrious young men. Manitoba seems nowhere in comparison with Dakota. All are for Dakota. We do not like the idea of our people crossing the lines, but men will go where they get the best advantages, and Dakota seems to be the most highly favored in this respect. Now this can only be attributed to the liberal policy of the American Government, for we are certain that our own Canadian Northwest has as many natural advantages as any State in the Union. We feel sure that if our Government would drop its narrow, short-sighted policy, and adopt some of the liberality and enterprise shown by our neighbors, Canadians would not leave the dear old flag; but patriotism has its limits, and men will go where they can make the most money.—[Sentinel.]

Brussels. ACCIDENT.—Last Wednesday morning Henry Eickemyer while working in the saw mill of Watt & Co. had the misfortune to let his hand come in contact with the circular saw and lost parts of two fingers. From an interview with Mr. Porter, who is to sink the salt well, we ascertained his opinion as regards the probability of getting salt in Brussels. He says if salt, or indications of salt, were found in the former well he has not the slightest doubt of the projected well proving a success. Mr. Porter says salt runs in blocks in the shape of a large wedge and expects by going a mile from the old well to strike 10 feet of salt, which will be as good as three times the amount. Work is to commence at once and in the course of a few months this very important question—"Salt or no salt?" will be settled. [Post.] Joseph Clegg has got his hay pressing machine in full blast. He is turning out 6 tons per day and employs six hands. A curling match came off in the "Brussels Rink on Monday last between Messrs. Miller, Clucas, Colborne and Sheppard. The Montreal Telegraph Company furnished the press of Canada on Friday night with over 145,000 words of Parliamentary report in connection with the

breakfast. The stove was standing near a board partition, and although covered with zinc it was melted with the fervent heat, and set fire to the partition behind. When discovered, the partition was nearly consumed, and the place full of smoke, it was finally extinguished without further damage. Dungannon. PRESENTATION.—On Friday evening last week the congregation of St. Helens surprised their Pastor, Rev. Jas. Carrie, and his family, by about 40 persons knocking at the Parsonage door, Dungannon, entering and taking full possession. They came provided with a bounteous supply of provisions, a couple of loads of oats, best good wishes, a purse, and an address, signed on behalf of the congregation by Thos. Durnin and Wm. Durnin, to which a suitable reply was made by Mr. Carrie. An agreeable and profitable evening was spent, when all separated with mutual good-will toward each other.—[Sentinel.]

TEA MEETING AND CONCERT.—The tea meeting and concert, under the auspices of St. Paul's Church, Dungannon, on Friday evening last, was a complete success, financially and otherwise. The choir of St. George's, Goderich, was present on the occasion, and contributed in no small degree to the success of the evening's entertainment. Mr. Cameron, banker, of Ripley, and Miss Whiteley, of Lucknow, also assisted. The following programme was rendered in excellent style: Anthem—"Deus," Choir. Duet—"Hope Beyond," Misses Trainer. Quartette—"Rock of Ages," Misses Trainer. Bass Solo—"Rocked in the Cradle of the Deep," Harry Cunningham. "Mission Chorus—"Shout the Glad Tidings," Choir. At the conclusion of the concert the following votes of thanks were tendered:—To St. George's Church choir, and to the ladies of the committee, and to the others who had so generously contributed to the success of the entertainment. Miss Bertha Trainer presided at the organ in her usual admirable manner. The proceeds of the entertainment were between \$60 and \$70 and are to be applied to the Organ Fund.
