NVIGORATING TONIC FOR RUN-DOWN PEOPLE

Your blood has become thin and weak Tour blood has become thin and weak. The drain upon your system the past few months has been very great. You are consequently feeling "all out of sorts" and "run down." Your appetite is bad and you hardly have enough energy left to do your daily duties. You should take PSYCHINE, the greatest of Tonics, without delay. This will put you on your feet

en :-- "I have used PSYCHINE Gentiemen:--"I have used PSYCHINE and I do think it is the greatest tonic and system builder known. I would advise all who are run-down or physically weak to se PSYCHINE." Yours truly, Mrs. Jas use PSYCHINE." You Bertrand, West Toronto.

you are weak PSYCHINE will make you st For Sale by all Druggists & Dealers, 50c. & \$1

GREAT CANAL TO COST \$500,000,000

Estimated Cost of Isthmian Cana Takes Prodigious Bound-Original Estimate \$139,705,200

but gives no assurance that they are but gives no assurance that they are final. In his figures of the total cost, however, he adds the \$50,000,000 purchase price paid to the French company for the canal fixing the cost. It is backed up that I do not think so backed up that I do not think actual construction at \$297,766,000.

The balance of the total is made up by the estimated cost of sanitation and civil government.

Speaking of the Englishman's knowledge of Canada, Mr. Walker by the estimated cost of sanitation and civil government.

Figures Will Grow.

The hope was entertained at Washington that Lieut. Colonel Goothal's was some years ago. Two of the big-

f the report that his figures will almost surely grow and there is no assurance that next year's canal budget may not take as prodigious a condition regarding labor and materpensive rather than to cheapen. The prophesy of Secretary Teller, that it the lock canal was built across the public must inevitably do her good.

The Tax on Land. Panama Canal at a cost of not more than \$500,000,000, it would surprise the best engineers in the world, bids fair to be fulfilled in the opinion of the government officials who have studied Lieut. Colonel Geothals' latest

CANADA'S CREDIT IS NOW ALMOST TOO GOOD

Ve Should be Careful, Says Byron E.

president of the Bank of Commerce, who has just returned to Toronto after five months absence in England and

er of fact there never was a time when Canadian credit was so good. is so good that we Canadians must careful. I think I can truthfully ay that we have never sold the Eng-ish investor had securiites. We have en him good value for his money, nd we must continue to do so. Canada and the Budget.

'The reasons for the English investors interest in Canada are, I think, two fold. In the first place there is ne natural improvement following he recovery from the money stringncy that swept all over the world two years ago, and in the second place there is the English budget. Now I do not wish to be drawn into any controversy on the budget question, but this condition had undoubtedly arisen: In former times the Englishman of capital was willing to accept Washington, D. C., Nov. 21.-In one to keep his capital in England. Tobound the estimated cost of the and day he regards us as the lucky fellow struction of the Isthmian canal has who is outside the influence of all the jumped over \$125,000,000 from last He does not know what the budget
