

POULTRY OPPORTUNITIES FOR THE BREEDING SEASON.

I offer for sale, in lots to suit purchasers, all my Black Orpingtons. Foundation stock was purchased from Wm. Cook & Sons (originators of all the Orpingtons), and is of the best laying strain that has been produced. The blood of this stock is from Cook & Sons' choicest winners, including 1st Cockerel at Madison Square Gardens, New York, and their World Fair, St. Louis, Cockerel.

Also, 1 superior Buff Orpington Cockerel, from Cook's 1st prize pen, Md. Square.

"As the number of Blacks is limited, would advise early selection." (These are the only Black Orpingtons in Nfld.)

This is an opportunity to get the best of good Breeding Stock at the right time, and at a cost of not one-fourth of their value.

Complete pedigree furnished with every fowl.

In addition to above, I have—

- 1 Peerless Incubator (in splendid condition and used but once).
- 2 Philo System Brooder Coops (for rearing young stock).
- 1 Philo System Wireless Brooder.
- 1 Hand-Power Poulterer's Mill, complete with stand (for grit, shell and all varieties of grain, and adjustable to grind fine or coarse).

Also, a quantity of feed, including Alfalfa meal and shredded bran, oats, corn, corn-meal, hominy, and sundries, such as wire netting, water fountains, chick servers, large and small feed pans, white Devoo paint, grit and shell hoppers, meat chopper, automatic scales, etc. All the above must be seen within a week, and may be seen by appointment.
