The Evening Chit-Chat
By MARY CAMPBELL
A most charming gift for many friends instead of one, and is to be made up, not wholly of quotations, but also of little original greetings, jokes, nonsense rhymes, pictures and sketches.
This calendar which came to my attention was being gotten up by a jolly young crowd in a country town for one of their number who had been sent away to another climate to fight the white plague.
The pad used was about five by eight inches. The date was written at the top. Then the leaves were distributed among the girl's friends—one or two to her more casual friends, and three or four to those who had been nearest to her.
Some of the young people pasted snapshots of themselves, the crowd, or familiar spots on the leaves. Others, who were clever at jingles, wrote nonsense rhymes. The artistic ones did little pencil or water color sketches. Some simply contributed cheery quotations or wrote letters telling the girl how much they loved her and missed her.
The plucky little exile received the calendar Christmas. I don't know her at all personally, but I like to

Women's Secrets
There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in this country. These secrets are the secrets of health and happiness. Dr. R. V. Pierce is the man who has heard them. He has heard them from the lips of the most distinguished physicians and specialists in the treatment of women's diseases.
Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, and all prescriptions are sent by registered mail. Write without fear as to your condition, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Fads and Fashions.
The Coronation, followed by the coming Durbar, is responsible for almost barbaric jewelry, vogues, whatever is large is favored, and great ornaments have a real place in fashion.
Malline laces are particularly popular in waist ornamentation, as well as the May, Venetian and macramé, and combinations of both are seen on some of the more elaborate waists.
Velvet in both plain and fancy weaves is employed in many of the new three-piece suits—consisting of coat and skirt with waist to match, many two-piece suits are made of velvet.
When sleeves are of the peasant type, large folded back cuffs are usually employed as trimmings, usually perhaps a narrow underleeve of some sheer white material net or all-over embroidery.

Psoriasis
All Over Body
Most dreaded of skin diseases was cured by Dr. Chase's Ointment.
Psoriasis is a sort of chronic eczema. The itching it causes is almost beyond human endurance, and it is usually considered incurable. But this case proves that Dr. Chase's Ointment is a cure, in spite of the doctor's prediction.
Mrs. Nettie Massey, Consoan, Ont., writes: "For five years I suffered with what three doctors called psoriasis. They could not help me and one of them told me if any one offered to guarantee a cure for \$5000 I would keep my money as I could not be cured. The disease spread all over me, even on my face and hands, and the itching and burning was hard to bear. I used eight boxes of Dr. Chase's Ointment, and I am glad to say I am entirely cured, not a sign of a sore to be seen. I can hardly praise this ointment enough."
Dr. Chase's Ointment, 50¢ per box, all dealers of Edmanston, Bates & Co., Toronto.

Fireman's Close Call.
From Death as Roof Falls on Him.
Toronto, Ontario, Aug. 8.—Andrew Agnew, a fireman from Portland St. Hill, had a close call from death in a fire which destroyed the premises of the Anchor Mfg. Co. at 146 Niagara street, soon after midnight. The blazing roof fell on him, burying him in embers. Some spectators, mostly boys, shouted to him to seize the hose which he had been playing on the flames, and by this he was dragged to safety. The loss will be about \$5,000.

Indigestion & Dyspepsia
In all its Forms Can be Cured.
It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing. I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden. Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of Dr. Stafford's Prescription A. Indigestion & Dyspepsia
In all its Forms Can be Cured.
It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing. I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden. Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of Dr. Stafford's Prescription A.
