"PERFECT"

When you have a
"PERFECT" OIL HEATER
what do you care about Coal? Lots
of the people who have bought Oil
Heaters here tell us that they plan
to use them all the winter, even if
coal does the wonderful and comes
down to reasonable prices. They find
that Oil Heaters are economical and
very practical. You use them when
you want them, and turn them out
when you don't; and if you buy the
right kind that are here, they are
neither smoky nor smelly.

THESE ARE THE "PERFECT."
