Superior Two Pants Suit!

"The Extra Pair--Doubles the Wear."

A Suit with two pairs of pants will last twice as long as a suit with one pair—that's logical. For ordinarily the trousers of your suit will wear out long before the coat; you discard the coat and buy a new suit, though the coat is still in splendid condition.

We want you to get the maximum wear out of your clothes, and for that reason we are making suits to your measure with "two pairs of pants."

You want one of these two pants SUPERIOR Suits, your logic and common sense tell you so. Come up and get one.

Geddes Urges Closer Relationship.

Anglo-American Friendship Must be Real--Proposed Solutions of Irish Question--Wilson Given Hearty Greeting at Washington--Dempsey to Get Big End of Purse--U. S. Navy Short of Men.

A WARNING FROM GEDDES.
MINNEAPOLIS, Minn., Nov. 5. Great Britain and the United States must avoid national trade competition, "organized by government and supported by political action," Sir Auckland Geddes, British Ambassador to the United States declared today in an address at the chamber of commerce luncheon here. If the United States or Great Britain he said, were to begin to organize areas of exclusive economic advantage there would inevitably come a clash of interests that would at least strain the friendly relations between the countries.

PROPOSED ATTEMPTS TO SOLVE IRISH QUESTION.

LONDON, Nov. 5. Two interesting, although unofficial attempts, are being made to solve the Irish question. It developed today. The first of these is an effort by influential political quarters to induce the government to communicate with Sinn Fein members of Parliament in order to try to reach a practical agreement and prevent the ruin of Ireland. The second is that three coalition members of Parliament will formally propose a plan for withdrawing the military in Ireland to strategic centres and allowing local authorities to take responsibility for the preservation of law and order with the eventual view of negotiating a political settlement of the problem.

LEAGUE OF NATIONS ADHERENTS GREET WILSON.

WASHINGTON, Nov. 5. President Wilson made his first public appearance last night in more than a year, when he was lifted in his wheel chair to the east portion of the White House while hundreds of Washington League of Nations adherents gathered on the White House Lawn to do him honor. With an overcoat buttoned closely about him and a soft hat shading his face the President sat silent while the crowd sang patriotic songs. President Wilson then raised his hat as the attendant rolled his chair back towards the door. Cheers were given for the League and for the President.
